

SMALLBORE DIVISION .22F Class

November Match

The first "winter" 22 F Class match turned out to be a beautiful day with only a bit of north west wind to contend with and mild temperatures instead of freezing.

Results:

Sporter Class:

1st place.....Jonah DeJonge.....545-9X

2nd place.....Joe Evans.....541-7X

3rd place.....John Behara.....541-10X

BTW, Jonah is Joe's grandson and this was his first time to outshoot the old fox! Yippee!

2nd place....Mike Tokar.....590-22X

3rd place.....Mark Walker.....587-29X

Come join us in this simple game: 22LR rifles shot at 100 yards for score.

Bipods, machine rests and sandbags for support of the rifle. A mat for prone shooting, rifles must be single fed either in action or using magazine one cartridge at a time. Timed stages for 3 targets totaling 60 record rounds and about 10 to 20 sighter shots. Shooting at the Smallbore/Airgun range on the east side of the club property on Hiwassee road. Enter at the Cowboy gate and bear left.

Many of the shooters wanted to continue shooting into the winter months so we came up with this: Match on the usual SECOND SATURDAY of each month with these two changes: Match starts at 010:00 IF the temperature for the day is 45 degrees or higher at that same 010:00.
