This is a benchrest match shooting Pellet, Slugs and 22 Rimfire, shooting at 50 yards. You will be shooting 3 targets (cards) which is a match. We will have a 2nd match, another 3 targets (cards). This will depend on the number of shooters that would like to have a 2nd match.

We have 20 concrete benches that are very stable!

You can click on the N50 link below for the rules and find out what it is all about!

Format for OKCGC N50 matches will be as follows:

We will have two matches (3 cards ea. per match). Participants will shoot either one gun or two guns if there is a 2nd match, depending on shooter count for the 2nd match.

When you get to the range, the match Director will let you know when to fill out the Sign-in sheet for your Class: (Pellet, Sportsman, or Pro). This will be for match #1. Match #2 will be done in the same way as #1, but only after #1 is completed.

When the Match Director lets you know to go down range (when safe), you will need to set up your lane with your flags and put your target up, at that TIME! NO Lolly-gagging!!

This is a fast-growing discipline that is exciting to shoot, learning the wind and having a great time with shooters that love the sport of Benchrest!!!!

...Thanks, be SAFE and have FUN...
