

## AR Silhouette Match

9/30/2023

What a beautiful day to shoot, great temperatures all day and a windy long course to keep shooters honest.

### International Class

Glenn Blanton shot 59 out of 60 winning the short, long, speed event and total score. Glenn shot a perfect 5 out of 5 at 385 meters in windy conditions with no sighters!

Dan Baily shot 20 out of 20 in 47.89 seconds to win the speed event.

Five shooters shot a perfect score of 20 in the short course

### AA Class

Zach Hodges won the short, speed, long and total score in the AA division! Incredibly with a 13 inch barreled, NATO chamber, Zach scored 12 out of 20 in windy conditions. Fantastic shooting Zach!

Honorable mention, AA Class, first time shooters Katelyn Hodges and Stephen Benjamin and Nate Crider all shot well for the first time at an AR Silhouette match.
