

Action Pistol Division

73 shooters came to play for our August USPSA match and there were 48 entries in the Steel Challenge match this month. While taking appropriate safety precautions to minimize risks from COVID-19, *we're back in business!*

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the stat shack. If you are not receiving them and would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org and we will make sure to add you.
