

Shotgun Division

Briley Smart Box System for Skeet/Trap

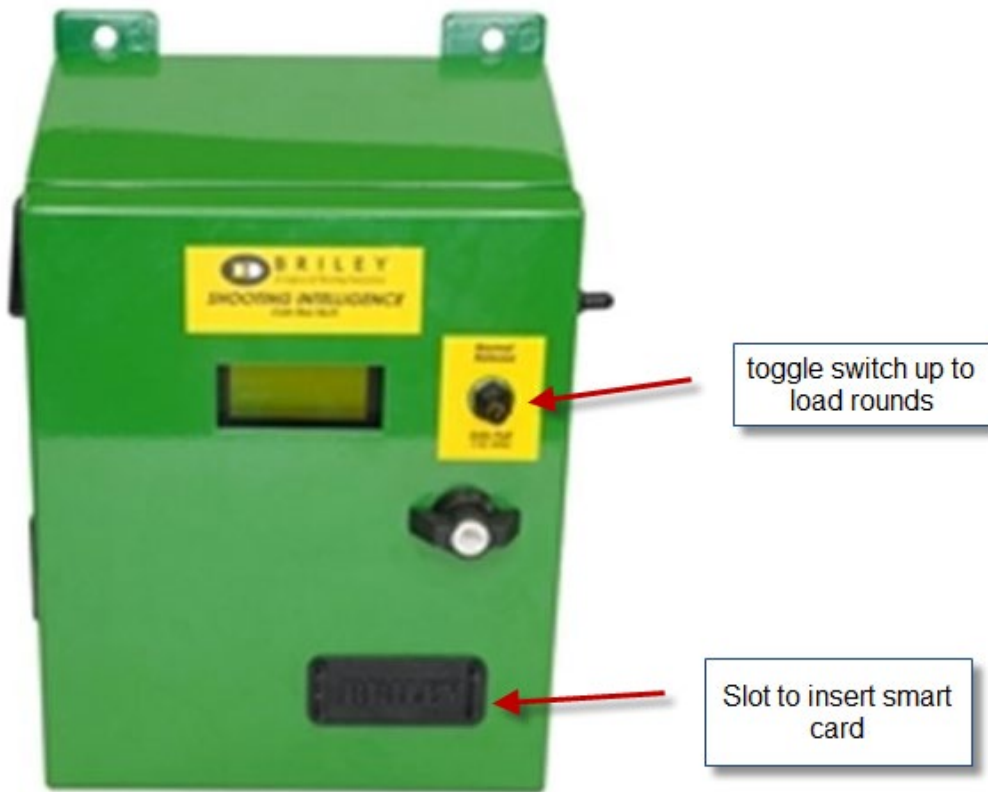

Beginning July 18, 2020 the Shotgun Division will be initiating a new method of paying for your skeet and trap rounds. Currently we use a system of shoot then pay, with the new Briley Smart Box this will be revised to a pay then shoot format. Each round of skeet or trap will consist of 27 targets. There will be three methods of paying for your rounds.

1. A token machine has been placed next to the sign in box.
 - a. Denominations accepted \$5, \$10, \$20, credit cards not accepted.
 - b. \$5 – 1 token.
 - c. \$10 – 2 tokens.
 - d. \$20 – 5 tokens.
2. Purchase a Smart Card.
 - a. Check or cash only in the exact amount, we will not be making change.
 - b. 20 rounds - \$75.
 - c. <20 rounds - \$4 per round.
 - d. A \$5 deposit will be required when you first purchase your card. This will be refunded when you surrender your card.
3. Purchasing tokens in bulk.
 - a. Check or cash only in the exact amount, we will not be making change.
 - b. 20 rounds - \$75.
 - c. <20 rounds - \$4 per round.
 - d. Tokens will be limited to 20 per purchase.

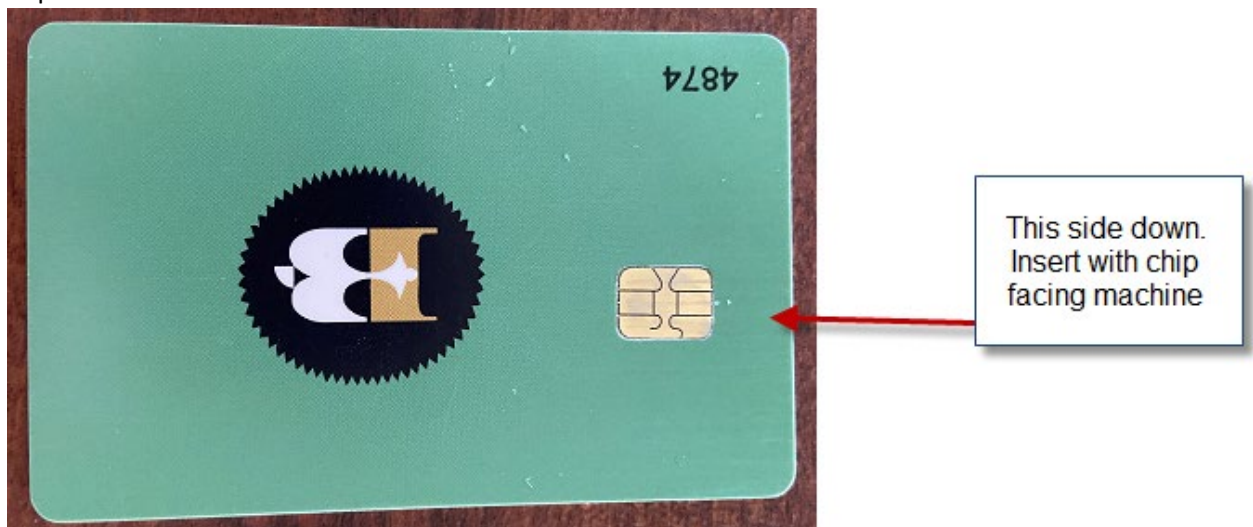

You will be able to purchase smart cards or bulk tokens on the following days beginning on July 7.

- Tuesday 4 to 6 – Brent and Paula Tate.
- Thursday 4 to 6 – Robert Davis.
- Saturdays 10 to 12 – Scott Parks.

- Insert Smart Card into slot.
- Toggle switch to load round(s).
- Remove Card.
- Repeat for each shooter.

- Insert token into slot.
- 27 targets will be added.
- Repeat for each shooter.

Frequently Asked Questions.

Does this change how we use the skeet/trap fields?

Here are the procedures.

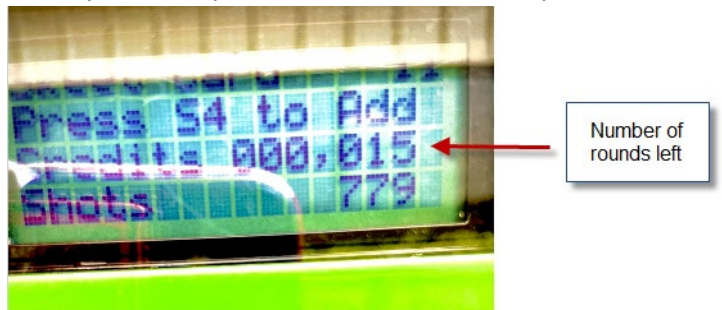

- Sign in/out at clubhouse as before.
- Open Houses by
 - Open the window
 - Check the machine for debris
 - Check the targets to make sure they have been loaded correctly
 - Turn on the machine
 - Repeat for the other house
 - Plug cord in.
- Using your token or smart card
 - Insert a token or
 - If using the smart card
 - Insert card and toggle switch as show in figure above.
- A combination of tokens and cards can be used.
- Close houses as before.

How many targets do I get per token?

- You get 27 targets per token.
 - Feel free to use them to hoop the targets.
 - Shoot the target that you missed again.
 - Cuss at the guy about the bad pull.
 - When 27 are gone you will need to insert another token or your smart card.

How many rounds are left on my smart card?

- When you insert your card into the machine you can see how many rounds are left.

What happens if I lose my Smart card or Tokens?

- Your cards and tokens are like cash. If you lose them they are gone.
- The smart cards are numbered and we will keep a log. If they are turned in we will contact you.
- A replacement card will require another deposit and you will lose your first deposit.

What if I have unused punch cards? Can they be traded for tokens or put on a smart card?

- If you have unused rounds on the old punch cards they can be traded in for either tokens or smart card rounds. You do not have to trade them all at once.

What do I do if the machine start throwing targets without the button being pushed?

- If range masters are present let them know.
- If not, turn off the machines, put the out of order signs on Briley box and contact Scott.
- If you have already put rounds on the Briley box they will be refunded to you.

What happens if I use a slug or intentionally damage the boxes?

- It's been nice knowing you.....

Who should I contact if I have any issues with the new system?

Contact Scott Parks. Text 405-615-5229 or email okclaybreaker@gmail.com.
