

## Action Pistol Division

48 shooters attended the December USPSA match. We had to cancel our December Steel Challenge match this month.... BUT we did hold a brand new event – a GSSF style practice match. This is something we're trying out to gauge the level of interest; the very first event turned out 24 shooters, which is fantastic. We're going to try holding them monthly on the second Saturday of the month.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the stat shack. If you are not receiving them and would like to be added to our email list, send an email to [ipsc.mail@okcgunclub.org](mailto:ipsc.mail@okcgunclub.org) and we will make sure to add you.
