

Action Pistol Division

Another full match schedule this month. Looking at the USPSA match results, we are seeing a definite growth in the Carry Optics division; is this the “new Open” as the advantages of the red dot combine with a stock firearm instead of the highly specialized “race gun”? Perhaps.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the clubhouse. If you are not receiving them and would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org and we will make sure to add you.
