

2022 HPHMS National Invitational  
July 15<sup>th</sup> Through July 22<sup>nd</sup> - 2022  
(Oklahoma City Gun Club)

By Jim Fields - Match Director

The 2022 HPHMS National Invitational held at the Oklahoma City Gun Club July 15th thru the 22nd, was a total success with entries totaling 244, not bad with daily temperatures hovering around 100 degrees. We certainly miss our International shooters, believe me. I want to personally thank everyone that helped during this match, much appreciated.

Weather conditions were hotter than normal for this time of year with temperatures averaging around 100 degrees for the entire 8 day event. We actually had sprinkles of rain on a couple of days which held temperatures down to some degree. Also, wind conditions for the entire match were on the calm side as the scores below indicate. Our target painters did an excellent job the entire 8 days.

Our 23-foot wide by 403-foot long firing line allowed spotters & spectators the convenience of a shaded area from morning into the late afternoon.

On Friday, the shoot-offs began at 8:30 am sharp & lasted to about 11:00 am & some precision shooting was observed by all. The trophy presentation followed in our air-conditioned main clubhouse.

Some of the highlights of the match included our new practical hunter revolver category, which produced two 80 x 80 scores, which were shot by John Weaver and Steve Martens with Steve winning the shoot-off. However, the Freedom Arms award, which includes three revolver scores, Small-Bore, Big-Bore and Practical Hunter with John Weaver winning the shoot-off by one target.

John Weaver won the Top Gun award with a fantastic score of 572x640, great shooting John. John also won the 4-gun SB with an aggregate score of 294x320.

The 500 meter course of fire, which includes a scope gun and an open sight gun, and the aggregate score of both was won by John Weaver with a score of 40x40 scope, 37x40 open sight and an aggregate score of 77x80.

Steve Martens won the Anschutz Award with the only 80x80 recorded in this Small-Bore Unlimited Class, which is rare for this class, since there are usually 4 to 6 shooters competing for this award. Congrats Steve.

Dave Strydom won the new 3 Gun Standing Award which includes Field Pistol, Small-Bore, and Big-Bore, all open-sight events with a score of 208x240. Congrats Dave.

Roy Focht won the new 5 Gun Scope Anschutz Award, with a score of 400x400. Roy also won the Small-Bore Revolver Class with a score of 80x80, which is record and a first for the OKC Gun Club, and again great shooting Roy.

With light wind & excellent lighting conditions all week we had a total of fifty-six(56) 80x80's shot.

Excellent food was available to all competitors including breakfast that was served starting at 7 am sharp, lots of comments on how great the menu was.

I would like to thank everyone who attended this first National Invitational match & also our target painters, local line officers, Roger Arens who spent countless hours in the line shack calling the match, Jan Meyers for entering the scores on the computer all eight days. Jim Meyers, who is taking over match director responsibilities, including trouble-shooting the auto-re-set system and Randy Tidwell for certifying guns for the entire week. Without these dedicated individuals making their contributions this match would not have been the success that it turned out to be.

This is the first annual National Invitational under the new High Plains Handgun Metallic Silhouette Logo and will become a yearly event at the Oklahoma City Gun Club range. Thanks to everyone, local and out of state, who attended this event.
