

MATCH REPORT

Just finished the first January match. The weather cooperated. It was awesome wind blew a little but everyone had a good time.

Had our first speed event. Shot 22 targets. 10 Shots across in a 20 second time limit. Of course Roy Focht shot a perfect score. No complaints on the speed event I think it will become something we will continue to have as a side match in the future so start practicing your speed shooting for the future. No match for February. See everyone on the March the 3rd. Jim Meyers 405-317-0151
