## **WHAT IS HPHMS?**

The High Plains Handgun Metallic Silhouette (HPHMS) is a newly formed association promoting this exciting sport. The object of the competition is to knock down metallic silhouettes (chickens, pigs, turkeys and rams) at various ranges to a maximum distance of 500 meters. We shoot monthly matches, host a state & regional championship & in September we are hosting a National Invitational Championship September 15<sup>th</sup> thru the 22<sup>nd</sup>, eight days.

We have hosted 8 world championships over the past 10 years.

## **SOMETHING FOR EVERYONE!**

Many different types of matches are shot and there is always one to suit any member of the family. The matches vary according to handgun type (Air Pistol to .22 to center fire) and shooting position (standing to free style). We pride ourselves in our diversity as HPHMS is open to men, women and youngsters ages 8 & up.

## **IT'S SIMPLE AND EXCITING!**

Hit a steel target and knock it over. You will find silhouette shooters helpful and friendly and more than willing to go out of their way to assist you. The game is actually very simple and you probably already own a handgun that qualifies for competition. It will make you the absolute best shooter you can be!
