

Action Pistol Division

Winter had a definite impact on us this month! The USPSA match was held in windy, frigid conditions with 16 hardy souls turning out to play. GSSF the following weekend fared a bit better weather-wise and had a better turnout. Both ICORE and Steel Challenge cancelled on third Saturday as the serious cold and wind returned. We'll get through this; Spring isn't that far off.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the clubhouse. If you are not receiving them and would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org and we will make sure to add you.

The scores are as follows:
