

Action Pistol Division

Another full match schedule this month. 63 Shooters came to the USPSA match, 33 entries for GSSF and 44 for Steel Challenge. Given the high temperatures, GSSF started their match early, which worked out very well. We've tried that with USPSA matches in the past but it's a bit different problem in that many of our regulars travel long distances to attend.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the clubhouse. If you are not receiving them and would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org and we will make sure to add you. We normally send match announcements out several days beforehand along with links to register.
