

Action Pistol Division

The winter weather is upon us. Nevertheless, 45 Shooters came to the USPSA match, 30 entries for GSSF and 19 for Steel Challenge. We've set something of a record in USPSA matches at our club; In the last 20+ years, we have always had some entries in Production Division. This month, Carry Optics once again took the prize for highest turnout.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the clubhouse. If you are not receiving them and would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org and we will make sure to add you. We normally send match announcements out several days beforehand along with links to register.
