

### **Action Pistol Division – October 2023**

70 shooters turned out for the monthly USPSA match. Looking across the divisions, 12 shooters were running iron sights; everyone else was using optics of one sort or another. Carry Optics accounted for 32 of those 70 shooters - almost half. The new provisional division, Limited Optics, was in second place with 11 shooters. That's amazing equipment shift.

The rest of the normal monthly matches were not held because of Land Run and the GSSF Red Dirt Shootout.

We will resume our normal schedules in November.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion. If you would like to be added to our email list, send an email to [ipsc.mail@okcgunclub.org](mailto:ipsc.mail@okcgunclub.org). We normally send reminders the week of the matches.
