Spring Skeet League

Our spring league for 2013 will start on 26 March. If you are interested in a little friendly competition come on out. Buck Sifford will again be handling the squadding and the sign up, so let him know if you want to shoot. His phone number is 769-7317 and can be reached by email at bucksifford1@cox.net. If you haven't shot with us in the past, come on out, we guarantee you will have a good time. Novice shooter are welcome, we have some excellent shooter who are always willing to give advice when asked.

I anticipate at least 120 shooters wanting to participate in the Spring league this year, so with that in mind we have out grown the Tuesday/Thursday format and will be shooting on Tuesday, Wednesday and Thursday this year. When you sign up please let me know which evening that you want to shoot. I cannot guarantee a particular night but will do the best that I can. I will try to have at least 40 shooters on each night. If 60 shooters want to shoot on Tuesday night, 20 will be asked to move to another night.

Like last year the 2013 Spring League will shoot at 1800 hours (6 pm). We shoot 50 targets (two rounds) per week for 10 weeks for a total of 500 targets. The club has increased the cost for each round from $2.00 to $3.00 so that additional $20.00 must be passed along to the shooters. The cost to shoot the league this year will be $80.00 for club members and $120.00 for non club members. This covers the cost of 20 rounds of skeet and a trophy at the end of the league. We also try to have a pot luck dinner where we recognize the top shooters. As always this is a duel league, both scratch and handicap. The handicap portion is set up so that a steadily improving shooter has an excellent chance of winning the top spot.

All shooters will be assigned to a team. Each team will consist of 4 or 5 shooters depending upon how many shooter sign up for the league. Each team will compete weekly against another team and will be assigned points depending upon how well they shoot that week. The highest point team at the end of the 10 weeks will be our Tuesday, Wednesday and Thursday night champions. The Tuesday, Wednesday and Thursday night champions will shoot off the night of our pot luck dinner for the Spring League Championship.

To sign up for the league please send an email to Buck or call him. When signing up please indicate which night you want to shoot. If the night doesn't matter please indicate all three nights, that way I can move people around as required. Please give me an email address and a phone number. If you can't email me or call me there will be signup sheets at the club house.

Action Pistol Division

It's the start of a brand new year, and we kicked it off with a great day for an IPSC match. It was a bit cold in the morning, but 82 shooters turned out to start the new year off with a bang, including about a dozen new shooters.

I really appreciate all the help with the match – 7 folks turned out for setup on Friday before the match, Greg Goode designed a couple of our stages, and I had plenty of help running the match and scores. In spite of a big turnout and starting a few minutes late, the shooting was over by 3. That's awesome!

The monthly match results are as follows:

IPSC	#	1st Place	2nd Place	3rd Place
Limited	52	Mike Chambers	Heath Vincent	Robbie Daugherty
Limited-10	0	---	---	---
Open	5	Yuth Juneweera-nong	Leroy Brace	Joe Holmes
Production	18	Chris Lewis	Mike Stevenson	Kyle Farnham
Revolver	3	Javier Martinez	Roger Davis	Scott Hearn
Single Stack	4	Scott Graves	Jerry Frydrych	Zeke Ernst

52 Limited Division shooters out of a field of 82?! That's amazing. It looks to me like a lot of 9mm shooters are taking advantage of their higher capacity magazines and shooting Limited minor instead of Production.

There was no 3-Gun match in December. January's results will be reported next month.

Our next IPSC match will be February 2nd. Come on out and play! Bring a friend.

ALWAYS CHECK THE WEBSITE FOR LAST MINUTE UPDATES & SCORES…

See you on the range!!

John Bent

Tactical .22 Match

When the benchrest range opens in April for the Friday .22 matches, we will be adding a "tactical" match for .22's. These are going to be a lot of fun and this will be an inexpensive way to test your shooting skills.

The matches will be for .22 long rifle guns and just about any repeater or semi-auto will work as long as it is not a heavy benchrest rifle. The guns that everyone used for the squirrel rifle matches will be fine and of course, one of the "tactical" .22's would be ideal.

We will be shooting a variety of paper targets at 50 and 100 yards, so a good scope is a must - the more powerful, the better.

The matches will be informal, take less than an hour and shot with one box of ammo.

For questions, call Dave Johnson, 789-1368
