Spring Skeet League

Our spring league for 2013 will start on 26 March. If you are interested in a little friendly competition come on out. Buck Sifford will again be handling the squadding and the sign up, so let him know if you want to shoot. His phone number is 769-7317 and can be reached by email at bucksifford1@cox.net. If you haven't shot with us in the past, come on out, we guarantee you will have a good time. Novice shooter are welcome, we have some excellent shooter who are always willing to give advice when asked.

I anticipate at least 120 shooters wanting to participate in the Spring league this year, so with that in mind we have out grown the Tuesday/Thursday format and will be shooting on Tuesday, Wednesday and Thursday this year. When you sign up please let me know which evening that you want to shoot. I cannot guarantee a particular night but will do the best that I can. I will try to have at least 40 shooters on each night. If 60 shooters want to shoot on Tuesday night, 20 will be asked to move to another night.

Like last year the 2013 Spring League will shoot at 1800 hours (6 pm). We shoot 50 targets (two rounds) per week for 10 weeks for a total of 500 targets. The club has increased the cost for each round from $2.00 to $3.00 so that additional $20.00 must be passed along to the shooters. The cost to shoot the league this year will be $80.00 for club members and $120.00 for non club members. This covers the cost of 20 rounds of skeet and a trophy at the end of the league. We also try to have a pot luck dinner where we recognize the top shooters. As always this is a duel league, both scratch and handicap. The handicap portion is set up so that a steadily improving shooter has an excellent chance of winning the top spot.

All shooters will be assigned to a team. Each team will consist of 4 or 5 shooters depending upon how many shooter sign up for the league. Each team will compete weekly against another team and will be assigned points depending upon how well they shoot that week. The highest point team at the end of the 10 weeks will be our Tuesday, Wednesday and Thursday night champions. The Tuesday, Wednesday and Thursday night champions will shoot off the night of our pot luck dinner for the Spring League Championship.

To sign up for the league please send an email to Buck or call him. When signing up please indicate which night you want to shoot. If the night doesn't matter please indicate all three nights, that way I can move people around as required. Please give me an email address and a phone number. If you can't email me or call me there will be signup sheets at the club house.

84 shooters turned out for the February IPSC match – fantastic weather, a number of new shooters, and 7 stages…. What's to complain about?

As the 3-Gun program is expanding significantly, there are a number of plans being made to improve flow and safety awareness. One policy change being made starting in February is that chamber flags will be required.

Over the coming months, look for some announcements about range improvements authorized by the Board of Trustees. Details to follow.

Our next IPSC match will be March 2nd. Come on out and play! Bring a friend.

ALWAYS CHECK THE WEBSITE FOR LAST MINUTE UPDATES & SCORES…

See you on the range!!

Tactical .22 Match

When the benchrest range opens in April for the Friday .22 matches, we will be adding a "tactical" match for .22's. These are going to be a lot of fun and this will be an inexpensive way to test your shooting skills.

The matches will be for .22 long rifle guns and just about any repeater or semi-auto will work as long as it is not a heavy benchrest rifle. The guns that everyone used for the squirrel rifle matches will be fine and of course, one of the "tactical" .22's would be ideal.

We will be shooting a variety of paper targets at 50 and 100 yards, so a good scope is a must - the more powerful, the better.

The matches will be informal, take less than an hour and shot with one box of ammo.

For questions, call Dave Johnson, 789-1368
