The OKCGC Youth Division would like to express our sincere appreciation to the High Power Division for their monetary donation from the Cromwell Cup. It is so important to pass along the sport of shooting to the youth. THANK YOU!!!

We support our troops who are in harms way in our stead.
May they all return home safely.

Action Pistol Division

The month of December has not been very kind to our matches – we cancelled the IPSC match in the face of freezing rain, several inches of snow, and temperatures plunging into the single digits. Well, it was a pretty easy judgment call!

From ice, snow and single digit temperatures we went right back to 60s and beautiful a few days later... right up to the Steel Challenge match.... Cancelled due to weather... freezing rain, ice, & snow.

Oh well, we can't really complain – we've had a very successful year. Our IPSC match turnouts are averaging in the 70s and we've had so much support from the shooting community. It's a volunteer sport and we are blessed with a lot of folks willing to pitch in and help make it all come together.

Two Important (Continuing) Announcements:

1. The Rifle Range at the north end of the Action Shooting Range is CLOSED, pending a safety review. The use of any firearm on that range is prohibited.
2. 3-Gun matches are suspended for the time-being due to work/scheduling conflicts with those running the matches. We will advise when they can resume.

Our next IPSC match will be January 4th.... *he said hopefully*.
Come on out and play! Bring a friend.

ALWAYS CHECK THE WEBSITE FOR LAST MINUTE UPDATES & SCORES... especially with the winter weather!! The last thing we want is for someone to drive out from far away only to find that we've cancelled.

See you on the range!!

John Bent

200 yard .22 Matches

This year the High Power Division conducted three experimental 200-yard small bore matches. The attendees were enthusiastic about continuing the program, so we will continue to offer this match after the High Power matches.

The rules are simple:

All shooting is done from the prone position and consists of unlimited sighting shots and 20 shots for record. Competitors will provide pit service for each other.

Competitors fire from the prone position at the MR52 target, which has an X-ring 1.79 inches in diameter and a 10-ring 3.79 inches in diameter.

Shooters are separated into 3 classes:

.22 caliber Training rifle – any U.S.-marked training rifle equipped with iron sights (i.e., Mossberg 44, H&R, Kimber 82G or similar) OR foreign training rifle, fired with or without a sling (no rest or bipod).

Unlimited rifle – any .22 caliber target or varmint rifle (i.e., Anschutz, Martini, Savage, Remington, or similar) equipped with iron or any optical sight fired with or without a sling (no rest or bipod).

.22 Tactical Rifle – any .22 caliber rifle, bolt, semi-auto, or single shot action (i.e., Ruger 10/22, Savage, Remington or similar), equipped with any optical sight and bipod.

There is no cost to participate. A limited number of donated prizes will be available to the winner of each class.

Come out and have fun!!

Our next matches will be 26 Jan, 23 Feb, 30 Mar, 27 Apr, 27 Jul, 31 Aug, 21 Sep, 26 Oct, and 16 Nov, immediately following the monthly High Power match.

The start time will be approximately 1:00 pm.
