Your news and information about the nationally recognized Oklahoma City Gun Club.

ATTENTION: CONCEAL CARRY HOLDERS

Have you ever thought about trying to hit a target that is further away than 15-20 feet or that is moving and not static?

There was a famous law officer that thought his officers should be able to hit their target under four shooting conditions and at a more realistic distance.

- ♦ The first condition is shooting at a moving target. Think of a situation where the bad guy is moving and not at 10 or 15 feet but at 30 or may be 75 feet away. Could you stop the threat?
- ♦ The second condition is shooting from behind barricades. Shooting from behind barricades is difficult and again, not at some short distance but from 10 to 35 yards and with quick appearing targets.
- ♦ The third condition is shooting at multiple targets under short time limits; and
- ♦ The fourth condition are shooting at targets at longer distances and shooting with your weak hand only.

It's important to be able to **STOP** the threat and **PROTECT** the innocent!

These four shooting conditions / events became known as the Bianchi Cup. The officer was the famous John Bianchi. These events are now known as **NRA Action Pistol**.

Here, at the Oklahoma City Gun Club, you can learn how to **STOP** the bad guy by practicing these four events.

We shoot these events on the 1st Saturday of each month.
The cost is \$15 for members and \$20 for non-members.

Spring Skeet League

Our spring league for 2021 will start on 6 April (Tuesday night)/8 April (Thursday night). Buck Sifford will again be handling the squadding and the signup sheets. If you haven't shot with us in the past, come on out, we guarantee you will have a good time. New shooters are welcome, there is always someone that will help and give advice. This league is designed for our members to meet each other and make new friends. While it is competitive the main objective is to have fun!

Due to the high usage of our facilities the following changes will be in effect for league.

All shooting must be done on your designated night/time.

Do not sign up for league if you cannot shoot on your night.

Scores submitted outside of your designated time will not count. A zero will be scored.

You will be allowed to make up 2 nights if you must miss. You have 2 weeks to make up any missed scores, after that you will be scored zero for the night.

You must be there to pull/score for the other team and they will do the same for you.

While in the club house you will be required to wear a mask.

Practice rounds can be purchased from the token machine.

The sign up/squadding will be handled differently this year. You must sign up at the shotgun division club house. There will be individual signup sheets for each night with a place for 10 teams per night. Please sign up with your name, phone number and email. This will be your squad for the league.

Those who sign up for Tuesday will need to be at the clubhouse on March 30 between 4:30 and 6:00 to pay for the league. Thursday night shooters will need to be there on April 1, same time period.

If you have any questions about the league, Buck's phone number is 405-769-7317 (Home) and 405-760-9434 (Cell) and can be reached by email at bucksifford1@cox.net.

We anticipate at least 100 shooters wanting to participate in the Spring league this year. We will be shooting on Tuesday and Thursday. We are limited to 100 shooters, (50 per night). So, sign up early. The 2021 Spring League will shoot at 1800 hours (6 pm). We shoot 50 targets (two rounds) per week for 8 weeks for a total of 400 targets. The cost to shoot the league this year will be \$90.00. This covers the cost of 16 rounds of skeet, hotdogs each night and a trophy for the top shooters and teams at the end of the league. We also try to have a pot luck dinner where we recognize the top shooters.

A free citizenry does not ask its governments' permission to exercise a right. It does not register its exercise of a right. It does not waive any other right, such as the right to privacy, or the right to due process, or the right to be secure from being compelled to waive a right in order to exercise a right, in exchange for permission to exercise a right such as the right to keep and bear arms which government does not have the authority to issue or deny in the first place. It does not permit government to claim the exercise of a right is probable cause, or prima facie evidence, or even a suspicion, of a crime having been committed. It does not discuss, or negotiate, what rights it will or will not exercise with government or with any government functionary. In short, a free citizenry, founded in principles of liberty, does not give up its right to determine what kind of government receives its Consent to Govern. A free citizenry respects, honors, and protects the lawful rights of others, by force of arms if necessary, else liberty cannot be preserved for anyone.

This submachine gun has shot hundreds of paper targets, dozens of pop cans and **at least one television.** No wonder news anchors refer to recreational shooters as "dangerous lunatics."

Action Pistol Division

After most of our February matches were cancelled by weather, it was nice to see our March USPSA match run with 65 shooters. The next weekend GSSF kicked off with 18 shooters. We had an unforeseen problem with the Steel Challenge match – our apologies and we will resume next month. ICORE rescheduled to Sunday for this month only.

3-Gun Matches are resuming on the 2nd Saturday of every other month; the first one will be in April. We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the clubhouse. If you are not receiving them and would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org and we will make sure to add you.

The scores are as follows:

	#	1st Place	2nd Place	3rd Place
USPSA				
Open	1 1	Jason Soupene	Mark Miller	Feegee Matlock
Limited	1 9	Shane Richards	Kurt Miller	Mitch Gibson
Production	8	Jeff Cawthorn	Chad Stanton	Brian Johnston
Revolver	2	Javier Martinez	Eric Howard	---
Carry Optics	1 7	Adam Roper	Alex Lackey	Wes Boles
PCC	5	Ian Zacher	Heath Vincent	Rick Peeler
GSSF				
Stock	5	Adam Strader	Clint Koehn	Riley Hennigh
Unlimited	7	Rick Howell	Kemit Grafton	Brian Humann
Rimfire Pistol	4	Aaron Armentrout	Jamie Meyer	Spencer Habluetzel
Pocket	2	Rick Howell	Jamie Meyer	---

Our next USPSA/IPSC match is scheduled for April 3rd, GSSF & 3-Gun on the 10th and Steel Challenge on the 17th.

As always, CHECK THE CLUB CALENDAR for updates/changes and scores.

Spring 2021 Trap League

The Shotgun Division of the Oklahoma City Gun Club will host an eight (8) week Spring Trap League beginning Monday April 5, 2021 and ending on Monday May 24, 2021. The league is open to all OKC Gun Club members, their families and friends.

- The league welcomes all skill levels of shooters using any type of shotgun in 12 gauge or smaller.
- Cost of the league will be \$80.00 for each participant. Due to the use of the Briley Smart Box System of paying for skeet and trap rounds, fees must be paid at the Clubhouse on March 29, 2021 between 5:00 and 6:30 p.m. Payment may be made by check or cash. You will have the option (I believe) of receiving tokens for the targets or adding money to your Smart Card. The cost includes targets and prizes to be awarded at the conclusion of the league. For various reasons, we will not be serving hot dogs this league.
- Shooters will be part of a Squad of up to 5 shooters. Shooting times will be 5:00-6:00 or 6:00-7:30. This schedule will accommodate 50 shooters. If more than 50 shooters sign up, we can start shooting at 4:00 or even as late as 7:30. The earlier/later schedule depends on having enough shooters in reserve to score and pull targets for those actively shooting. By April, we should have shooting light up to about 8:00. If you or your squad can shoot at 4:00, please tell me when you sign up.
 - o Each shooter will shoot a total of 400 targets; 50 targets per week.
 - o The first four weeks of the league will be shot from the 16 yard line (Singles).
 - o The second four weeks of the league will be shot from the 18, 20, or the 22 yard line (Handicap). All members of the squad will shoot from the same yardage line.
 - o Squads with a combined average of 20.0 or more from the first five weeks of Singles shooting will shoot all their Handicap targets from the 22 yard line.
 - o Squads with a combined average of more than 18.0 and less than 20.0 from the five weeks of Singles shooting will shoot all their Handicap targets from the 20 yard line.
 - o Squads with a combined average of 18.0 or less from the first five weeks of Singles shooting will shoot all their Handicap targets from the 18 yard line.
- Prizes will be awarded to individual members of the winning squads. The plan is to distribute prizes as soon as possible after May 24, 2021.
- Shooters may make up targets, or shoot ahead for any weeks that they are absent. Please be advised that the shotgun ranges receive heavy use and may not always be available on days other than the regularly scheduled shooting times. The trap ranges should be available for makeup and practice at 3:00 on designated league days. All singles targets must be shot by sunset on May 2, 2021 to allow time for calculation of handicap yardage. All handicap targets must be shot by the end of shooting on May 24, 2021. Missing scores will be replaced with a dog score (shooter's average minus two targets).
- When registering for the league, please indicate if you have a group that you would like to shoot with and your shooting time preference (5:00 or 6:00).
- If you are interested in participating, or would like more details, please contact Kenneth Mayfield via email (preferred) at kmayfield@phxactile.com or send a text to 405-990-8881. There will not be a sign-up sheet in the Shotgun Division Club House. Please register via email or text.

Everyone has an AR-15!

The Highpower division now offers two types of matches to develop your abilities from 200 and 300 yards with your AR-15 or AR-10, or most any other semiautomatic rifle, need not be .223 or .308. Both matches are shot using electronic targets which show both your shot location and down range velocity. Be sure to bring a smartphone or a tablet so you can see your shots!

The first match is called a "GSM" match, for Garand, Springfield, Military arms, fired at the 200 yard line with slow fire and rapid fire stages - shot from three positions, Prone, Sitting, and Standing. You'll need two magazines and 55 rounds of ammo for this match. GSM match registration is conducted at the 200 yard line at 8:00 with firing starting at 9:00.

After the GSM match is completed, registration starts for the Tactical-AR match. Shooting starts at 12:30. Fired at the 300 yard line, this match is shot off of bi-pods or backpacks for support and stability, or you can sling up if you want too. This match requires 51 rounds and is single loaded (we call it slow fire). It's an informal match so show up with what you've got and we'll get you some good training.

We know ammo is scarce, but It takes a lot of ammo to compensate for lack of marksmanship skills. Make them count when it counts.

Take a look at our match programs for more information on our web page at <https://www.okcgunclub.org/high-power-rifle-division.html> Or call Tommy Sims with your questions at (405) 613-1421.
