# The Oklahoma City Gun Club "Primer"

Your news and information about the nationally recognized Oklahoma City Gun Club.  
P.O. Box 32043, Edmond, OK 73003

## From the President

Finally, some nice days to get out and go to the range! April is a busy month for the OKCGC, with lots of events going on. Check the calendar as I am sure there will be something that sparks your interest.

In addition, a reminder of the Club Picnic and members meeting on **May 4, 2024**.

We will have GREAT prizes (Guns! Guns! Guns!), reports from the division chairmen and announcement of the newly elected Board of Directors.

Bring a side dish/dessert and get the kiddoes out of the house and break bread with your fellow OKCGC members.

In this edition of the Primer you will find candidate statements from the slate of members who are running for Board of Director positions. If you are a Voting Member, you will be receiving your ballot in the mail which will enable you to vote via the U.S. Mail or electronically. We would like to have 100% participation by the Voting Members and remind you **voting will cease at 12 p.m. May 3, 2024**. There will be no voting on the day of the picnic, so be sure and cast your ballots on line or drop them in the mail prior to the election closing. Your vote counts!!!

Inside are the candidates for the 2024 election of the Board of Directors. Official voting ballots will be mailed 4/7/2024.

Respectfully,  
Suzi Rouse,  
President

# END OF TRAIL 2024

## THE SASS WORLD CHAMPIONSHIP OF COWBOY ACTION SHOOTING

The Ben Avery Shooting Center in Pheonix Arizona was the setting for End of Trail, The Single Action Shooting Society World Championship. The match and various events lasted 5 days with the awards being presented Sunday, March 10, 2024.

The Oklahoma City Gun Club was very well represented at this prestigious event. Eighteen shooters from The OKCGC competed with sixteen placing and winning top ten buckles. This performance outpaced any other club from America or the twelve other nations that were represented.

Even more impressive was our number of category champions. In SASS you compete against other shooters divided by gender, age and shooting style.

With a total of 50 recognized categories qualifying for championship buckles, five shooters from The OKCGC won a World Championship buckle. To put that into the proper perspective, SASS has 400 recognized sanctioned clubs. The Territorial Marshals, which is the Cowboy Division of the OKCGC, is one of 400 but we won 10% of the SASS World Championship Buckles. Clearly, we have the largest grouping of world champions of any single club in the world.

Our World Champions are listed below by their name and cowboy alias.

Dean Findley AKA Ben Fishin - Senior B-Western

Debbie Freeman AKA Cooncan - Lady Senior B-Western

Jere Korthanke AKA Roy's Creek Dan - Senior Frontier Cartridge

Melody Hile AKA Missouri Mae Lady - 49er

Stephanie Findley AKA Sandy Beach - Lady B-Western

If you are interested in learning more about or trying Cowboy Action Shooting, contact J.R. Hile AKA Flat Top Okie at 405-409-9442.

Dear Oklahoma City Gun Club Voting Members,

I would like to continue to serve for you on the Board of Directors at the Oklahoma City Gun Club. I'm very sincere in asking for your support and votes to be placed on the Board. I will do my best to represent all of our divisions equally. I think I have the broad experience over multiple shooting disciplines to be a great Board Member representing you. My life and shooting division experience is listed below.

The past several years, I have been assisting with the planning and construction of several range rebuilds and expansions. These include the completely renovated Bullseye Pistol range and the relocation of the plinking range. I also assisted in the planning and construction of the bench rest range expansion. The benchrest range is one of the most used ranges at the club. This expansion was planned for many years.

In October of 2019, I attend the NRA range development workshop on behalf of the Oklahoma City Gun Club. During this three (3) day workshop, I learned the correct methods to build outdoor ranges to help ensure that all rounds are contained. The knowledge learned at this workshop will help ensure that all current and future range expansions meet all of the NRA range guidelines. Now that the range expansions have been completed, we are bringing our older ranges up to NRA guidelines.

I've been an Oklahoma City Gun Club Member for over 20 years, and a voting member for the last 15 years. I'm a lifelong shooter and hunter in many different areas. Since becoming a member of the OKCGC, I've shot archery, F-Class Rifle, Action Pistol, and 3 gun matches. I will be the match director for the NRL22 matches that will start later this spring.

In my professional career, I am a commercial construction estimator. This job involves dealing with a lot of different people with a lot of different personalities. I feel I am an effective communicator with many different personality types and this will be a useful asset if I am re-elected to the Board.

I look forward to serving you on the OKCGC Board of Directors. If you have any questions, please feel free to contact me at [brandt9913@yahoo.com](mailto:brandt9913@yahoo.com).

Sincerely,

A handwritten signature in blue ink that reads "Phi Brandt". The signature is written in a cursive, slightly stylized font.

Phillip Brandt

Hello,

My name is Jere Korthanke, and I would again appreciate your support and your vote as your representative to the Board of Directors for the Oklahoma City Gun Club. I travel and visit other clubs, as a guest and a competitor, and still feel we have one of the best clubs in America. I personally believe that, as members, we have a responsibility to contribute whatever we are able to help our club grow and improve so we continue to be one of the best the clubs for our current and future members.

I have been a member of the OKC Gun Club for many years and became a Senior Member (what is now a voting member) in 2008. Since joining the club I have enjoyed many of the different shooting disciplines that the club offers, including shotgun, benchrest, plinking, cowboy action, wild bunch, steel challenge and USPSA. I plan to also shoot high power rifle and some of the new 22 competitions. I believe my varied shooting interests will help me to represent all our members regardless of which games they like to shoot. I also believe that members who use the facility are better able to know what our club and our members need. I am a life member of the NRA.

My wife Joan is also a participant in various shooting sports and as you can imagine spending time at the club is an important part of our life. We have two granddaughters who I hope will grow up and be able to enjoy our shooting heritage and the OKC Gun Club as much as we do. As a board member, I strive to do everything that I can to preserve these rights for all of us to enjoy.

After 25 years of service, I retired as a Captain from the Oklahoma City Fire Department. One of the things I have learned through my career with the fire department is that much can be accomplished if you work well with others toward a common goal. It is my goal to help the club by never losing sight of what I feel our members truly want. I ask for your vote again to continue my service to you as your representative on the Board of Directors for the Oklahoma City Gun Club.

Thank You

Jere Korthanke

Hello! My name is Scott Parks and I am requesting your vote to allow me to continue supporting you as a member of the OKCGC Board of Directors. As my second term on the board comes to an end, I reflect back on the last 3 years and I am proud to have been a part of many important decisions and accomplishments for our club.

As chairman of the shotgun division and with help from many people we have instituted multiple changes to continue making our club one of the finest facilities around. Upgrades to the clubhouse, replacing the aged trap machines and we are now in the process of refurbishing our skeet machines to name a few.

I am a certified NSSA referee, NSSA Level 1 Instructor and NRA Certified Shotgun Instructor and have helped with our referee training, youth shooting groups, Women On Target, collegiate shoots, beginning skeet class and the Shotgun Extended Access (formally know as Honors) at the club.

Professionally I manage a technical team of programmers with duties including project management, scheduling and budgeting, which has given me the ability to work with diverse groups to find the best solutions with implementation in a timely manner.

I would appreciate the opportunity to continue to use these skills to assist the OKCGC and its members.

Voting Members  
OKC Gun Club

To all voting members,

My name is Russell Patton. I have been a member since March 2012. I have been a voting member for 3 years and very active in the OKC Gun Club.

As a current, voting member of the OKC Gun Club, I believe I can be of much more service to the Club as a Board Member.

Here is a list my attributes that I believe would benefit the Club:

- Owner of a General Contracting business
- Knowledge of many facets of construction industry

The number one reason I want to be a Board member is the fact that I always want to give 110% to anything that I do. I believe by being a Board member I can do that.

I appreciate your consideration for a position on the Board of OKC Gun Club.

Dear OKCGC voting members

My name is Brian Pribil and I am seeking re-election to the board of directors for the Oklahoma City Gun Club. I have been a member of the gun club for 28 years. I helped establish the youth division shortly after joining the club and continued to run the youth shotgun division for many years with the help of many wonderful volunteers. In my years of membership the club has grown from about 800 members to nearly 2700. We have expanded our facilities every year. Recent improvements include a new plinking range, a 1000 yard range, an expansion of the bench rest range and massive earthen berm repairs are only a few of the improvements we now enjoy here at OKCGC.

Visitors are always in awe at the amazing facility we have here. It is only because of the dues each of us pay and because of the many hours of hard work the volunteers of this club put in.

I strongly believe it is the duty and responsibility of each board member to carefully assess the allocation of our funds and appropriate those funds in a way that serves the members of the club in the best way possible. I have always held this philosophy and if I am re-elected I will continue to work for the members of this great organization.

I would be honored, and consider it a privilege, to serve another term as a board member of the Oklahoma City Gun Club.

I would appreciate your vote.

Respectfully

Brian Pribil

I request your vote for Oklahoma City Gun Club Board of Directors. I have enjoyed the facility since I was a kid shooting Black Powder Cartridge with my dad. Since joining the OKCGC a little over 4 years ago, I have been an active member of the Wild Bunch shooting division. I am currently the co-chair with Tommy Hagar for the Wild Bunch division and have helped him put on Wild Bunch Nationals as well as growing our bi-monthly shoots. I look forward to helping him grow our new Historic 3 Gun program. I know the importance of the position I am seeking.

I support my shooting habit, as a Captain flying the Boeing 767 for Delta Air Lines. This affords me the flexibility to move my schedule around to meet obligations required by the OKCGC.

I grew up on the family farm in Perry Oklahoma and graduated from the US Air Force Academy. I have flown T-37, T-38 and F-15 aircraft. I retired from the OK Air National Guard in 2015 where I was the commander of the 146<sup>th</sup> Air Support Operations Squadron providing Air Strike support to ground commanders. I deployed in support of Oklahoma's 45<sup>th</sup> Infantry Brigade deployment to Afghanistan in 2011-12. My ties to Oklahoma run deep and I know what it takes to serve.

I humbly ask for your support for a position on the BOD. You have my promise to listen and always keep in mind what is best for the club and the shooting profession as we fight to keep our **RIGHT TO KEEP AND BEAR ARMS!!**

Respectfully on this day of 5 Feb 2-24,

Dear voting members,

I am asking for your support to remain on the board of the Oklahoma City Gun Club. I have been a member of the club since 1999 and on the board for 20 plus years.

I retired from OG&E in 2017 after 41 years of service. I highly recommend retirement. I have an 11-year-old grandson that I have enjoyed introducing to the shooting sports, because I feel the youth are paramount to the continuation of our 2<sup>nd</sup> Amendment Rights. I am proud of how OKCGC has always supported the youth shooting sports.

I spend a lot of my free time RVing to different venues, in Oklahoma and other states, for Wild Bunch and Cowboy matches. This is why I know that we have some of the best facilities in the nation at our club.

I have been an active member of SASS and the Cowboy division since 1999. I was Co-Chairman for our annual shoot, Landrun, for 3 years. Since Landrun is now the National SASS match I have continued to work as a volunteer. I was asked by the Cowboy Division Chair to set up and start the Wild Bunch shooting within the Cowboy Division along with Jack Legg. It has since become the Wild Bunch Division within the OKCGC. I have also enjoyed shooting with other divisions (shotgun, high power).

I have also helped with the annual Women's Fun Shoot for 20 plus years. The last 15 years as the Chief Line Officer for the AR-15 line. We have 300 plus women shooters that come through the AR line each year.

In my time on the board, I have seen our club improve every year and I am proud of the fact I have been a part of that. I would like to continue to be a part of the growth and improvement of our club.

I would appreciate the opportunity to continue to serve on the board.

Thank you,  
Mike White
