## 2023 Spring Skeet League

Our spring league for 2023 will start on Tuesday, March 21<sup>st</sup> and Thursday, March 23<sup>rd</sup>. Robert Buswell will be handling the squadding and the sign-up sheets. If you haven't shot with us in the past, come on out, we guarantee you will have a good time. New shooters are welcome, there is always someone willing to help and give advice. This league is designed for our members to meet each other and make new friends. While it is competitive, the main objective is to have fun!

We anticipate at least 100 shooters wanting to participate in the spring league this year. We are limited to 100 shooters (50 per night), so sign up early. The 2023 Spring League will shoot at 6:00 PM. We shoot 50 targets (two rounds) per week for 10 weeks for a total of 500 targets. The cost to shoot the league this year will be \$120. This covers 20 rounds of skeet, hotdogs each night, assorted meats for a pot luck dinner, and trophies for the top shooters and teams.

Sign-up will be located at the shotgun division clubhouse. There will be sign-up sheets for each night (Tuesday or Thursday) with places for 10 teams of five shooters per team. Please sign-up by providing your name, phone number, and email address.

**FEES & TOKENS:** Those who have signed-up to shoot on Tuesdays will need to be at the clubhouse on March 14<sup>th</sup> from 4:30 PM to 6:00 PM to exchange fees for tokens. Thursday night shooters will need to be at the clubhouse on March 16<sup>th</sup>, same time period, same purpose.

If you have any questions about the league, Robert's cell phone number is (405) 426-7429 or he may be reached by email at [skeetleague@okcgunclub.org](mailto:skeetleague@okcgunclub.org).

### REMEMBER...

**Do not sign-up for the league if you can't shoot on your squad's designated night. Another aspect of shooting in skeet league is experiencing team camaraderie.**

**Everyone should show-up for league by 6 PM... members of one team are supposed to pull and score for the other team and vice versa.**

**You are allowed to shoot make-up rounds but try and have them shot in a few weeks, if nothing is turned in, then dog scores will be entered.**

**You are encouraged to pre-shoot rounds for future planned absences.**

**Score sheets for make-up rounds and pre-shot rounds should be noted and dated as such and pinned to the bulletin board where weekly scores are posted.**

**Remember to have fun!**

## Introduction To: "Air Rifle Indoor Precision BR Matches"

This indoor shooting competition takes place in the OKC Gun Club Main Club House, with year-round air conditioning. Our competition is shooting our own air guns from a bench, using a shooting platform or a 2-piece rest to steady our rifle. We do not have teams. Our scores are scored individually. Currently, we have 1 class, and the rifles are "open class" or "unlimited class". The competitors use 36 X power scopes or even more powerful scopes. The phrase "Bring your Best to do your Best" is what we are all about. The distance we shoot is 17 meters, which is the same distance the silhouette shooters shoot in the main club house. We supply targets that are designed to be difficult, and we also charge a weekly entry fee to offset the cost of the .999 pure silver coins that we give as prizes each week.

At the present, we have only 1 class of rifles, but we will offer a 2<sup>nd</sup> level of rifles if the supply & demand warrants.

Monday match time includes a practice time from 7:00 AM to 8:00 AM and then from about 8:15 to 11:00 AM is for the match and awards time.

In general, the pellet cost is about \$0.04 per pellet, and the practice and entire match usually consists of 100 – 150 total shots.

OKC Gun Club Members and guests are welcome to come, observe, and participate in any of our Monday Matches.

## Action Pistol Division

Happy New Year! We're off to a good start. 52 folks turned out for USPSA with Carry Optics carrying almost half of the entire turnout. This is the first time I can ever remember a monthly USPSA match without any Production shooters. GSSF had 34 entries and Steel Challenge had 18 entries. In answer to the question about "entries vs shooters" at a match, GSSF and Steel Challenge often have shooters compete in multiple divisions.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion. If you would like to be added to our email list, send an email to [ipsc.mail@okcgunclub.org](mailto:ipsc.mail@okcgunclub.org). We normally send reminders the week of the matches.

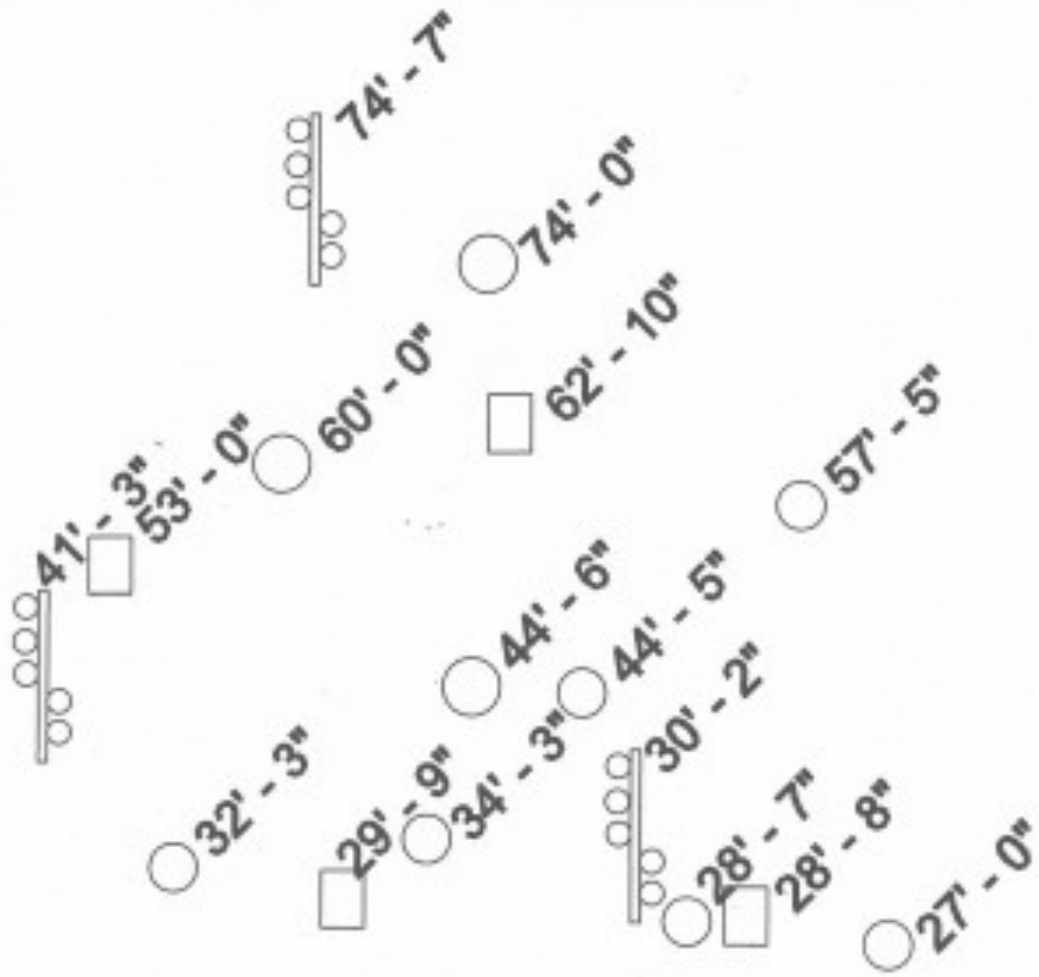

The scores are as follows:
