## Highpower

On Sunday, 26 May, Club member CW4 Roger Farley fired his final shots securing the Civilian Marksmanship Program's "Highmaster" classification, scoring 982-24x out of the Double National Match Course's possible 1000 points. In order to achieve this classification, a competitor must fire 240 consecutive shots, averaging at least 98%. This is beyond a tough classification, especially when you consider that Highpower Rifle is conducted out in the elements, where the wind gets a vote, especially in Oklahoma! Roger was the 2018 State Highpower Champion, is a Distinguished Rifleman, President's 100 Rifle, Chief's 50, Governor's 20 rifle and pistol, obviously a very accomplished marksman. Congratulations on your latest accomplishment Roger!!

The National Match Course, dating back to the early 1900s, consists of 10 slow-fire and 10 rapid-fire shots at the 200yd line, 10 rapid-fire shots at the 300yd line, and 20 slow-fire shots at the 600yd line. We refer to this type of match shooting as "Across the Course" or "XTC" based on the different distances and positions (standing, sitting/kneeling, prone) shooters are required to use. Most competitors use the familiar AR-15 and compete in "Service Rifle" category, but some shoot "Match Rifles" and still others use match rifles with optics.

We also conduct "Prone Only" events on the Highpower Range, namely our 3x600yd Midrange Matches and 300/500/600yd Fullbore Matches. These matches are fired slow-fire, meaning one shot at a time, at the different distances. Because of these prone matches, we are getting quite a following of shooters preferring to shoot off rests of bipods, which means you don't have to be a "Roger Farley" to keep them in the middle! If you are interested in becoming acquainted with what we do in the Highpower Division, check out our web page and come out to watch a match. If you decide to give it a try, I can promise you will have plenty of help, and even some hand-me-down equipment offered up.

Curt Bohlman  
Highpower Div. Admin.

## Summer Skeet League

Our summer league for 2019 will start on Tuesday 9 July. If you are interested in a little friendly competition come on out. Buck Sifford and Carl Shelton will be handling the squadding and the sign up, so let them know if you want to shoot. A signup sheet is on the desk. Buck's phone number is 769-7317(H) and 760-9434© and can be reached by email at [bucksifford1@cox.net](mailto:bucksifford1@cox.net). Carl's phone number is 769-4891 and can be reached by email at [tmx@cox.net](mailto:tmx@cox.net). Email is the best way to sign up so that I have a record. Novice shooter are welcome, we have some excellent shooter who are always willing to give advice when asked.

**The league will shoot on Tuesday night at 1800 hours (6 pm).** We shoot 50 targets (two rounds) per week for 10 weeks for a total of 500 targets. The cost is \$95.00. This covers the cost of 20 rounds of skeet and a trophy at the end of the league. We also try to have a pot luck dinner where we recognize the top shooters. As always this is a duel league, both scratch and handicap. The handicap portion is set up so that a steadily improving shooter has an excellent chance of winning the top spot.

All shooters will be assigned to a team. Each team will consist of 4 or 5 shooters depending upon how many shooter sign up for the league. Each team will compete weekly against another team and will be assigned points depending upon how well they shoot that week. The highest point team at the end of the 10 weeks will be our league champions.

To sign up for the league please send an email to Buck or call him. If unable to do either there will be signup sheets at the club house.

### Action Pistol Division

After the first month in our collective memory when we had to cancel every stinking match due to weather, June panned out! ....well, *mostly* panned out. The June USPSA match had a bit of everything – started out sparkling clear and crisp; an hour or so into the match we were all sweating up a storm under intense sun; a bit later we had high, thin overcast making it very pleasant to shoot; with about an hour to go to complete the match, we had a first gust of wind before all hell (and hail) broke loose and we all ran for cover....! We called the match, with most squads only missing 1 stage.

74 shooters came to shoot the monthly USPSA match. We posted the scores on the club website AS SHOT, since the match had been called before we'd finished. Overall performance is meaning-

	#	1st Place	2nd Place	3rd Place
<b>Steel Challenge</b>				
<b>ISR</b>	1	Eric Howard	---	---
<b>Production</b>	4	Brendan Taylor	Scott Taylor	Shannon Conely
<b>SS</b>	0	---	---	---
<b>CO</b>	8	Alex Bottrell	Bryan Hoover	Cody Hughes
<b>Open</b>	5	Feegee Matlock	Cory Churchill	Bob Parker
<b>Limited</b>	14	Mitch Gibson	Renato Sanchez	Shane Pennington
<b>RFPI</b>	13	Keith Sliger	Eric Howard	Scott Posey
<b>RFPO</b>	12	Douglas Foster	Renato Sanchez	Matt Rigsby
<b>RFRI</b>	2	Keith Sliger	Todd Hersh	---
<b>RFRO</b>	9	Douglas Foster	Thomas Baldwin	Alex Lackey
<b>PCCO</b>	7	Tyler Branstetter	Kelly Raglin	Tony Wall
<b>PCCI</b>	0	---	---	---

less, but there was a lot of individual information on shooter performance on the stages they shot. We did much better with Steel Challenge, with 75 entries (some shooting multiple divisions) and a beautiful day for a match. It's certainly nice to have improved weather conditions, as we head into Spring.

We plan to hold our June 3-Gun match and will report those results next month.

The scores are as follows:

A couple of incentives to help setup matches:

**Help setup on Friday and you'll get a ticket in a drawing for a pistol later this year.** Exact details are being finalized on the drawing, but it's our way of saying thank you to those who come and help - it *is* a volunteer sport. Our plan is to make this a regular feature for our USPSA matches.

**To encourage online registration, two names will be drawn from the Practiscore Registration and will have their match free of charge.**

**Our next monthly USPSA/IPSC match will be July 6<sup>th</sup> and Steel Challenge & ICORE both on the 20<sup>th</sup>. 3-Gun should be back on schedule with the next match in August. Come on out and play!**

**ALWAYS CHECK THE OKC GUN CLUB WEBSITE FOR LAST MINUTE UPDATES & SCORES.**
