OVERALL TEAM CHAMPS:

- Handicap Scoring:	- Scratch Scoring:
Bruce Pruitt	Henry Dalton
Matt Hasbell	Billy Kilmer
Chyenne Doupe	Ernie Johnson
Robert Doupe	John Howell
Mike Defeo	George Guerrero

5 Stand Summer League

Chris Alexander, contributor

The 5 Stand Range held its inaugural league in June. A total of 36 shooters, ranging from seasoned to newcomers in the sport, participated to test and increase their skills. Shooters were assigned to squads with specific shooting times starting at 4:30 pm and ending just before sunset each Monday. Shooters participated in two rounds with 25 targets each week, totaling 250 for the league. The challenge increased each week with varied setups and target directions, including normal, midi and rabbit targets.

After four of the five weeks of the league, two shooters have achieved a perfect score of 25. The final results will be posted in next month's edition of The Primer.

With this being the inaugural 5-Stand league, we appreciated the patience with some growing pains and adjustments with machines at times.

We are planning another league opportunity in August to be held on Mondays and Tuesdays. If you are interested, please be on the lookout for the email. We look forward to welcoming even more participants in the upcoming league and hope to see returning faces as well as new competitors.

Mid-Range High Power Championships at OKCGC

High Power prone rifle shooters from 14 states and one other country descended on the Oklahoma City Gun Club last month seeking a national title. It was the US Mid-Range Championship's Minute Man Trophy they sought. Some of central Oklahoma's coolest June temperatures and lightest winds were sure to make this match enjoyable and memorable for those in attendance.

Mid-Range High Power Rifle is a discipline shot from the prone position with only the support of a sling and shooting jacket, no rests of any kind. Rifles allowed must be less than .35 caliber and may not have muzzle breaks. Some shooters prefer modern optics, but others stick with open sights.

The matches drew top competitors from throughout the country, perhaps the most accomplished being retired Army Marksmanship Unit Sergeant First Class Brandon Green. In the past several years, Green has won every NRA Long Range trophy there is, most multiple times, but had yet to win the Mid-Range Minute Man. To make that happen, he brought a Nesika bolt action rifle with optics chambered in 6GT and shot Berger 109gr Hybrids.

After the first 600-point aggregate, one point separated ten of our competitors, to no one's surprise Brandon Green in the lead, posting a perfect 600-52x. The second aggregate narrowed the field of leaders to only five competitors just one or two points down, but Green had some problems, dropping four points to most of the leader's one. By the end of the third aggregate, it was apparent that OKCGC's own Tanner Burrows was there to win, shooting a perfect 600-44x, the only "clean" that day, but Green held his own with a 599-47x – the match clearly wasn't over. In the final day of shooting Burrows posted his lowest aggregate of the match, a 598-42x, but Green's 600-49x wasn't enough to catch him. Green's Grand aggregate score of 2395-189x was second to Burrows' 2396-172x, with Chuck Rowe in third with a 2395-143x.

Tanner Burrows, who started shooting competitively only six years ago, had already shot on the US Palma Team in 2024, and training insatiably, has established himself as a lead competitor. He shot a TUBB ATR rifle, with open sights, sporting a Bartlein barrel chambered in 6BRA.

Brandon Green, Tanner Burrows and Chuck Rowe.

The course of fire was four 600 point aggregates shot over a 3 day period: two aggregates of 300, 500, and 600yd matches, and two aggregates of 3x600yd matches for a total of 2400 points. Here's how it shook out:

Tanner Burrows with the Minute Man trophy.

Though Green did not achieve his main goal, he did topple 3 national records, all Military Veteran records: one for a single 300yd match, a 200-19x; one for an aggregate match, a 600-52xm and then the Grand Aggerate, with his 2396-189x.

The Oklahoma City Gun Club PRIMER newsletter is available online at www.okcgunclub.org. A print copy is mailed to those members who would like a paper version. OKC Gun Club board meetings are open to all members. They are held on the first Tuesday of each month at 7 p.m. in the main clubhouse.

Preparing for SASS National Championships

The Cowboy Action division started working on the 2025 Single Action Shooting Society (SASS) National Championships of Cowboy Action and Wild Bunch Shooting which will be held October 4-11. We already have 740 registered shooters and over 100 campers, making it the largest match our club hosts and the largest Cowboy Action match in the country. Now it is time to start on the range preparations. There are several work-day opportunities and membr help is greatly appreciated.

WORK-DAY: Saturday, July 19

We have scheduled a work-day on the cowboy range 8:00 am-2:00 pm, lunch and drinks are provided. We will be doing target work, tearing down a small building and installing walls on another prop along with general clean-up and weed-eating.

WORK-DAY: Saturday, Sept. 27

Another work-day is scheduled for Sept, 27. We will cleaning up the Cowboy, Action Pistol, 5-Stand, Smallbore and Airgun ranges- mowing, weed-eating, trimming trees, gathering all trash/hulls/brass in bays and small repair projects. Again, we will work from 8:00 a.m. to approx. 2:00 p.m., lunch and drinks provided. You may call me directly if you have questions, J.R. Hile 405-409-9442.

WORK-DAYS: Sept. 29-30

Our last prep for the match will be Sept. 29-30 when we'll be setting targets and installing props.

WORK-DAYS: Oct. 2-4

Finally, we'll need help with the actual running of the match, our core group of 40 will pre-shoot the match on Oct. 2-4, we'll need a couple of people to be on the range and help with RVs coming in while we shoot.

WORK-DAY: Tuesday, Oct. 7

For the actual match on October 7 through 11 we'll need help with parking and trash. We shoot warm-ups all day Tuesday and Wednesday and three separate flights of 240 people each Thursday – Saturday, so even if you can just help for a few hours at a time, it's a big help.

Please email our volunteer coordinator Carey Pribil at della102561@gmail.com if you can help during the match.

Our division takes great pride in having one of the best ranges in the country and providing what most shooters consider the best match in the country. Come help the OKC Gun Club look its best as we welcome shooters from 47 states. Thank you.

Mid-Range High Power Championships, continued

Burrows' victory was sweetened with a national record as well. In registered competition, when a competitor completes a string of fire shooting all X's, all center bullseyes, he continues to fire until something other than an X is recorded. After Burrows' twentieth X in a row he continued firing, shooting five more X's before he leaked one out into the 10 ring, this was at 600yds. His score for the statistics office was a 200-20x, but his score for the record books was a 200-20x +5. Before this the closest score ever recorded in a registered match was a 200-20x +2. Because he was shooting open or "Iron" sights he broke both the "Iron Sights" record and the "Any Sight" (Optics) record.

But we weren't done with records for the week. The day following the individual matches, five mid-range teams locked horns to decide the 2025 championship team. Dominating the team match was USNRT Rowe, led by Chuck Rowe as Captain and

Coach, and with shooters Kim Rowe, Joe Wawrzaszek, Larry Sollars, and Johnathon O'Neal. All shooters shot in the Any Rifle/Any Sight category. The course of fire was 20 shots for record at the 300, 500, and 600 yard lines. When the last round was downrange, USNRT Rowe had dropped only one point for a 2399-179x, a new national record.

The first NRA National match held at the OKCGC was an overwhelming success. It brought top shooters together with their wealth of knowledge, and provided plenty of time to discuss the finer points of the sport with those less accomplished. Competitors left knowing that the staff of just under 50 club volunteers ran a great match and that the facility was outstanding. Many of them have already vowed to return next year perhaps with a friend or two for another run at the Minute Man Trophy.

2025 Summer Skeet League Sign-Up

The sign-up sheet will be located outside of the north door to the large shotgun clubhouse. This year we are offering league on Tuesday and Thursday nights!

League shooting will start on Tuesday, July 8th at 6:00 PM and Thursday, July 10th. If you haven't shot with us in the past, come on out, we guarantee you will have a good time. New shooters are welcome, there is always someone willing to help or give advice. This league is designed for folks to meet each other and make new friends. While it is competitive, the main objective is to have fun!

The 2025 Summer League will shoot two rounds per week for 10 weeks for a total of 500 targets. Cost to shoot the league this year will be \$130. This covers 20 rounds of skeet, hotdogs each night, assorted meats for a pot luck dinner, and awards for the top shooters and teams.

FEES & TOKENS: Those who have signed-up to shoot will need to be at the large shotgun clubhouse on Tuesday, July 1st from 6:00 PM to 8:00 PM to exchange fees for tokens/cards.

REMEMBER...

- Do not sign-up for the league if you can't shoot on your squad's designated night. An aspect of shooting in skeet league is experiencing team camaraderie... so shoot with your team!

- Everyone should show-up for league by 6 PM... members of one team are supposed to pull and score for the other team and vice versa... if you're on time, you're late!

- You are limited to shooting only lead shot and nothing larger than 7½ shot.

- You are allowed to shoot make-up rounds but try and have them shot in a few weeks, if nothing is turned in when scoring is finalized, then dog scores will be entered.

- You are encouraged to pre-shoot rounds for planned absences.

- Score sheets for make-up rounds and pre-shot rounds should be noted and dated as such and pinned to the bulletin board where weekly scores are posted.

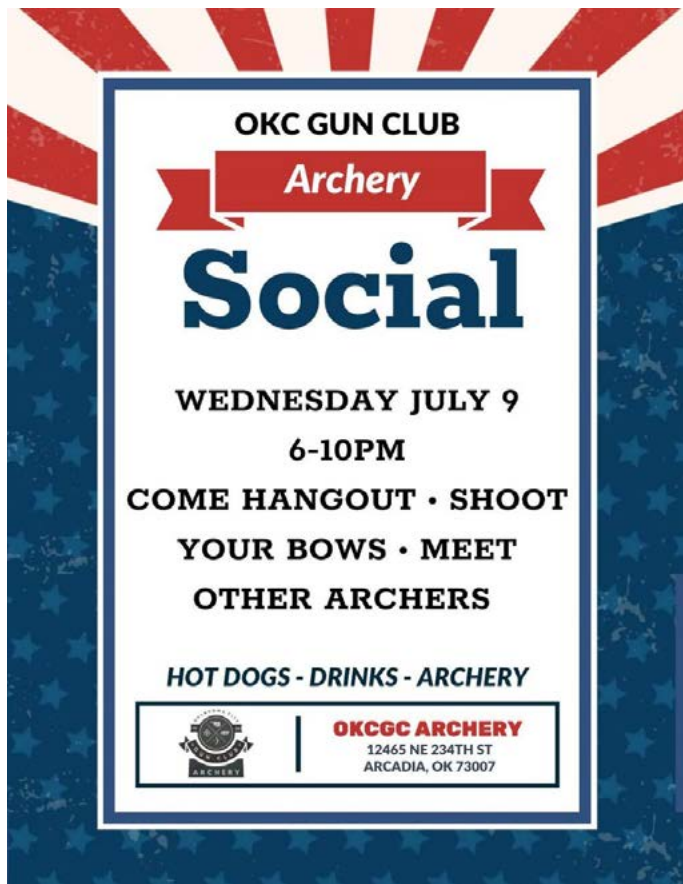

If you have any questions about the league, contact Robert Buswell at (405) 426-7429 or he may be reached by email at skeetleague@okcgunclub.org

Construction Update

We are continuing the berm modernization efforts on the Cowboy and Action Shooting ranges.

Please be patient and as always be sure to check the club calendar before you come to the facility for scheduled events as well as construction closures. We have a lot going on at the club and we know it is frustrating to arrive and find out there are construction closures, or scheduled activities. If you have questions, please reach out to me directly.

Matt Johnson, 405-637-6373 (call or text)

Training Division – July

Ladies Pistol League

Sunday, July 6, 9:30 am –12:30 pm

Bullseye/Pistol Range

The Ladies Pistol League meets on the 1st Sunday of every month and is open to all women and experience levels. You do not need to be a member of the gun club to participate. This month we will be working on drills designed to sharpen accuracy, improve speed and strengthen your handgun manipulations. Whether you're looking to clean up your grip and trigger press, work on target transitions, or get faster and more efficient with reloads and malfunctions, this class is for you. To RSVP to this class or to any of our other open-enrollment classes, please use this link: [RSVP Here >](#) or you can contact Jamie Meyer at lpl@okcgunclub.org or call/text 405-613-6541.

Cover your Basics – Handgun

Saturday, July 12, 1:00 pm – 4:30 pm

Main Clubhouse

This three-hour course is for the beginning shooter as well as anyone who would like to learn the fundamentals of shooting a handgun safely. The course includes live fire training where students will learn shooting fundamentals and range safety rules with personal coaching from experienced instructors/coaches. [Register Here >](#)

Ladies Intermediate Pistol League

Sunday, July 20, 9:30 am –12:30 pm

(Bullseye/Pistol Range)

The Ladies Intermediate League requires prior authorization to attend. All shooting drills are done from the holster at distances up to 50 yards and require movement. For more information on the class or the required items, please contact Jamie Meyer at lpl@okcgunclub.org or call/text 405-613-6541.

Sig Sauer P320 Armorer's Course

Thursday, July 24, 8:30 am – 5 pm

Main Clubhouse

This 8-hour training course is specifically designed for current or prospective agency firearms armorers, firearms retailer staff, and responsible citizens. The cost is \$345. Any non-agency participant must have completed Sig's Handgun 101 or an equivalent introductory handgun course that ensures safe gun handling skills prior to registering. Maintaining current practices and procedures for factory authorized service is essential for all pistols. A three (3) year factory certification is issued upon successful course completion.

[More Information & Registration Here >](#)

NRA Range Safety Office Course

July 26, 9:00 am to 5:00 pm

Main Clubhouse

This eight-hour course provides the National Rifle Association (NRA) basic Range Safety Officer training. This course teaches the basic duties that a Range Safety Officer performs. There is no fee for Gun Club members, a \$60 fee for non-members. This class is limited to 20 people, so if you are thinking about taking this class, sign up today as it fills up fast.

Training in August

Complete Combatant-Pistol Skills and Beyond (Brian Hill)

August 2 and 3, all day

Main Clubhouse/Pistol Range

Pistol Essentials and BEYOND is The Complete Combatant's 2-day course that starts with basics and then moves BEYOND! Both IRON sights and RED DOT sights are welcome in this class! FUNDAMENTALS are the key to everything! Pistol Essentials is designed to introduce you to defensive shooting and help improve your skills. In this class you will learn the importance of stance, grip, sight, follow through and trigger through dry practice and live fire. We will practice drawing from your holster during dry fire and live fire when applicable. We will cover shooting from common positions seen in defensive shooting with a higher level of accuracy. Pistol Essentials will teach you how to practice, how to measure your skill and how to TEST yourself. Are you a member of the Ladies Pistol League at the OKC Gun Club? If so, you will receive \$80 in this class. Use "LADIESPISTOLLEAGUE" to receive this offer.

[Register Here >](#)

Oklahoma Self-Defense Act (SDA)/

Handgun License Training

August 10, 9:00 am – 5:00 pm

Main Clubhouse

The successful completion of this eight-hour course provides the participant with handgun safety instruction and pertinent Oklahoma law training from state certified gun safety instructor(s), which meets the requirements to apply for an Oklahoma Handgun License.

NRA MEMBERSHIP

Renew or join the NRA through the Oklahoma City Gun Club website. The club will get credit for the transaction. NRA programs fund many of our activities, so this is a great way to support our club and the NRA.

To take advantage of this outstanding offer, click on the NRA Seal, or go to the bottom of the "About Us" page on our website at okcgunclub.org/about-us.html
