2023 Summer Skeet League

Sign-up for our 2023 Summer Skeet League is now open in the **SMALL shotgun clubhouse**. Everyone has access to this building the door code is the same as the gate code! We will start with shooting only on Tuesday nights but if Tuesday fills up we will expand the league into Thursday night.

League shooting will start on Tuesday, July 11th at 6:00 PM. If you haven't shot with us in the past, come on out, we guarantee you will have a good time. New shooters are welcome, there is always someone willing to help and give advice. This league is designed for our members to meet each other and make new friends. While it is competitive, the main objective is to have fun!

The 2023 Summer League will shoot 50 targets (two rounds) per week for 10 weeks for a total of 500 targets. The cost to shoot the league this year will be \$125. This covers 20 rounds of skeet, hotdogs each night, assorted meats for a pot luck dinner, and trophies for the top shooters and teams.

FEES & TOKENS: Those who have signed-up to shoot will need to be at the clubhouse on Thursday, July 6th from 5:00 PM to 7:00 PM to exchange fees for tokens.

REMEMBER...

Everyone should show-up for league by 6 PM... members of one team are supposed to pull and score for the other team and vice versa.

You are allowed to shoot make-up rounds, but try and have them shot in a few weeks.

Blank score sheets will be available in the SMALL shotgun clubhouse. If nothing is turned in, then dog scores will be entered (your average score minus 2 points).

You are encouraged to pre-shoot rounds for future planned absences.

Score sheets for make-up rounds and pre-shot rounds should be **submitted in the SMALL shotgun clubhouse.**

Remember to have fun!

If you have any questions about the league, contact Robert Buswell at (405) 426-7429 or he may be reached by email at skeetleague@okcgunclub.org.

F1 Shoot

Didn't think it was going to happen. The 22F class match for May 13 started off with torrential rains the night before and showers early.

However 21 brave shooters came out to find out just how good they could be. Was a swamp down-range many thanks to the volunteers who waded/swam down to change targets. Results for the day:

FOPEN Class:

1st place: Mike Tokar.....	592-39X
2nd place Tommy Hendrick.....	582-29X
3rd place Larry Miller.....	568-18X

FTR Class:

1st place Steve Baldwin.....	589-33X
2nd place Don Faulkenberry.....	582-23X
3rd place Terry Botchlet.....	578-27X

SPORTER/PALMA Class

1st place Kurt Schmidt.....	591-27X
2nd place Jerry Newman.....	571-22X
3rd place Woody Liddell.....	571-21X

Thanks again to all the shooters who came out on a rainy day and especially the target setters who volunteered to swim downrange. The basics of this sport are: 22LR rifles shooting paper targets for score at 100 yards. Prone with bipod on front, sandbag on rear. Any scope allowed, sighter shots and then 60 shots for record.

If you think you have an accurate rifle come out and see just how good you can be with it. If you're curious about the match come out match day and we will put you on the line with a rifle/ammunition combination that is good enough to win the match....if you do your part well! We are on the calendar for this year on the SECOND SATURDAY of the month. Shooting at the muzzleloader range #2 on the east side of the property accessed off Hiwassee road.

Action Pistol Division – May 2023

73 folks turned out for USPSA with some folks trying out the new (provisional) Limited Optics Division. GSSF and Steel Challenge each had 23 entries. In answer to the question about “entries vs shooters” at a match, GSSF and Steel Challenge often have shooters compete in multiple divisions. We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion. If you would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org. We normally send reminders the week of the matches.

The scores are as follows:
