Archery

The OKCGC Archery Division jointly with the Archery Shooters Association for Oklahoma will conduct a State Qualifying event taking place at the OKCGC Archery Division Complex on Saturday and Sunday May 13/14 .

Each day shooters from all over the state will be competing on our 20 lane 3D target course specifically designed and approved by the ASA. The match shooting time starts at 9am as all are welcomed to see the competitors in action. There are some basic curtesy rules for observing that need to be followed while watching. Also, Club Members who wish to shoot are welcomed.

As stated, this is a "qualifying event" for those wishing to shoot at the State Championship but any 3D shooter can participate. Again, there are some specific rules to be followed for those participants. The cost for Club Members is \$15.

In addition to the match, a fun shoot will take place following the event. Last, but not least, a great food truck will be available from 7am to 2pm serving breakfast in the morning and great lunches throughout the day.

Come by and participate, observe, or have a bite if you get a chance!

OKCG Field Target

The OKCG Field Target match started off a little bit on the windy side. But that did not last long. We started the match at 10:00 am and then the wind came up much harder than was predicted. We set the Troyer down a couple of notches because of what the wind speed would be for that day. Nope, it came in on us like a paper fan and went up like it was out of a jet! Gusts were up to at least 25+ mph and felt like it was coming from a helicopter. We shoot in a hub, like that of a wagon wheel the spokes are our lanes. Shooting in the woods gives the shooter even more to contend with!!

We shoot at the Archery range, and they are having an ASA Archery state qualifier match in May. The ASA folks cut the lanes like a tunnel, which compounded the wind even more. I think it made it more interesting, keeps the shooters on their game!

Enough with this match directors crying, lol. It's all about the shooters that come to the OKCGC range to shoot and have a great time!

We had 22 shooters come out today. Great to see everyone!

We set out 30 targets in 15 lanes for a 60-round match. We paired them up by drawing chips, sent them to their assigned lanes and yelled out "WE ARE HOT". They began blasting away and knocking down those pesky animal targets with so many different KZ sizes!!!

Rick Cuccio sure loves his FX Royale as he did an outstanding job shooting a 55 in this wind to take 1st place with a 55.

Thom Davies took the 2nd spot with a 53. Thom has been on fire this year, not only at OKCGC but at different FT events around the south.

In 3rd place was Mark Welker shooting a 50!

OKCGC had 3 Springers come out.

Stan Miller took the Top spot with a 25, His son Richard Miller was 2nd with a 23 and Dawson was DNF after his issue with his rifle. I like to see Springers show up.

Stan K. was the only show for WFTF class and shot a nice 45! He drives 5 hours to get to our range. Thank you, Stan.

Bob Benda brought out two of his grandkids to shoot in our Junior class. One in HFT pcp the other in HFT Springer. Anya, she shot a very nice 45 in PCP and Dawson shot his Springer but ended up with a DNF. He had dropped his gun and his pellets were not going where they should have hit. Sorry Dawson for that to happen. You will get it straightened out next time buddy, we all are pulling for you and glad you come out. I must mention the Cajun GP match. There were 5 Okies shooters in the Hunter class at the Cajuns. Having 5 Okies out of 34 entries makes Oklahoma proud.

Rick C was 5th. Thom D 12th. Mark W. 20th. Curtis N. 21st and Leon O'. 27th. Congratulations you guys! I want to say thank you to all that help with these matches, it could not come off as great without Y'all! See you next month!!

We continue to get good response to our move the Muzzle loader range #2 with several people commenting on the covered firing line and room to grow the match.

We have hard dates for the match for the rest of 2023 on the SECOND SATURDAY OF THE MONTH.

Basics of this game are: 22 caliber rifles, prone shooting for score at 100 yards, bipod on front, sandbag on the rear.

In addition you will need a mat to lay upon, about 80 rounds of ammunition, and most importantly EYE AND EAR PROTECTION IS REQUIRED AT THIS MATCH.

If you think you have an accurate 22 rifle bring it out and see just how good you can be with it. If you don't have a rifle but are interested in shooting this match come out on match day and we will put you on the line with a rifle and ammunition that's good enough to win....if you can do your part!

Action Pistol Division – April 2023

97 folks turned out for USPSA with Carry Optics carrying half of the turnout again! Seems to be a continuing trend. GSSF had 40 entries, Steel Challenge had 22 entries and 3-Gun had 8. In answer to the question about “entries vs shooters” at a match, GSSF and Steel Challenge often have shooters compete in multiple divisions. We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion. If you would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org. We normally send reminders the week of the matches. The scores are as follows:
