# Club Board Members Up For Re-Election

The following members are running for Oklahoma City Gun Club board positions—Chris Alexander, Curtis Bohlman, Tommy Hagar, JR Hile, Jim Meyers, Kurt Miller, Russell Patton, Tom Peace, and Kent Shomber.

# CHRIS ALEXANDER

Please consider me for a Directors' position with the Oklahoma City Gun Club. Since joining the OKC Gun Club I have been active with

Scouts, the Women's Fun Shoot, OCU Law shoots, FFA and high school State Championships. I currently serve as co-chair of the 5-Stand range. I am an NRA instructor in shotgun, pistol and Range Safety officer. As co-chair of 5-Stand, we have increased attendance and opportunities for use of the range with leagues. We have also increased the machine footprint, adding two new machines in the last 12 months. Which enables the range to offer four different types of clays to shoot. Our current project is to increase the field size at 5-Stand, by clearing some trees and brush to allow a broader shooting area.

I retired from the Air Force after 24 years, working in all realms of the logistics field to include headquarters positions managing personnel and assets. My career enabled me to travel to all seven continents providing logistics support to conventional, special forces members and even some dolphins. I served with the Air Force Thunderbirds as the logistics and airlift coordinator, ensuring participation in over 400 air shows and events. I was an instructor for multiple logistics, hazardous materials and leadership courses.

Although I am retired, I volunteer for a non-profit veteran's organization that provides service dogs to veterans at no cost. After retirement, finding that same sense of purpose and camaraderie was a must. The OKC Gun Club is just that. Thank you for your time and please consider me for a Directors' position with the Oklahoma City Gun Club.

Chris Alexander  
5-Stand co-chair

# CURTIS BOHLMAN

March 1, 2026

Dear Voting Members:

Please accept my nomination for re-election to the board of directors of the Oklahoma City Gun Club. My association with the club started in 1988. Since that time, I have served on the board for multiple years including tenures as treasurer and vice president. I have been a part of the club's growth from a few divisions and less than 600 members to virtually every shooting discipline most of us can imagine, and roughly 2800 members. We are a vibrant and growing organization: Arguably the best private shooting club in the nation. My credentials include 34 years of military service, 24 of which were active duty where I served in command and staff positions of increasing responsibility including a tour in Afghanistan and culminating in the command of Oklahoma's Regional Training Institute. I retired in 2014 at the rank of Colonel.

My education includes a Bachelor of Business Administration, Master of Education, and Master of Strategic Studies. I am the club's liaison for the Civilian Marksmanship Program, I serve on the High Power Rifle Committee for the NRA, and as the Competitions Director for the Oklahoma Rifle Association (ORA). I am also a director of, and treasurer for the United States National Rifle Team, Inc. – a charitable organization incorporated to fundraise for our international fullbore teams.

My participation in divisions at the club include shotgun, bullseye pistol, IPSIC pistol, steel challenge, silhouette, archery, rimfire sporter, and smallbore rifle, but I am most at home on the High Power range where I have been a division official for most of my years at the club. I am a lifetime NRA and ORA member.

A competitor at heart, my major shooting accomplishments are The Distinguished Rifleman Badge, The Distinguished Pistol Shot Badge, President's 100 Rifle, Silver EIC .22 Pistol Badge, and multiple local,

State, regional, and National trophies. I hold six national records. I regard my selection to the 2024 and 2028 U.S. Palma Team as my greatest achievement.

Therese, my wife of 25 years, and I live on twenty acres within one mile of the gun club. As the club's neighbors, we both consider the somewhat constant drone of gunfire to be the sound of freedom. The Oklahoma City Gun Club is a major part of my life, and it would be my distinct honor to again serve our membership as a director.

Thank you,  
Curtis Bohlman

## TOMMY HAGAR

Dear Oklahoma City Gun Club voting members, My name is Tommy Hager, also known as "Hondo Tweed". I am seeking re-election to the board of directors for the Oklahoma City Gun Club.

I have been an active NRA member since 2010 and a member in good

standing of the Oklahoma City Gun Club since December, 2013. I consider it a privilege to have served this previous term on the Board of Directors. I have attended every orientation that has been conducted to promote the gun club and to garner interest in Historic 3-Gun. I also conduct several private orientations throughout the year for new members. I take them out to show them all of the different divisions and direct the new member to divisions based upon their interests and preferences.

I am constantly striving to not only keep up our facility but to improve it. I not only put in my work day but am working on the range throughout the year. I assist other divisions with their improvements when needed. I feel that it is very important to make a good impression and I take great pride in our facility. I enjoy assisting other divisions when they hold their large shoots. I am a regular volunteer at the Women's Fun Shoot. I assist fellow Oklahoma City Gun Club members with fire arms and leather acquisition,

educational opportunities through range operations training, and reloading.

I began my gun club experience by shooting with the Cowboy Action Shooting and Wild Bunch division. I then moved into the role of the Wild Bunch Match Director. I split from the Territorial Marshals and started "The Oklahoma Rough Riders" Wild Bunch. During that time, I added a second Wild Bunch shoot each month. I organized monthly matches, state and regional matches as well as national championship matches. I separated from Wild Bunch and started a new division, Historic 3-Gun. We hold bi-monthly matches as well as a World Championship. We are actively growing this division.

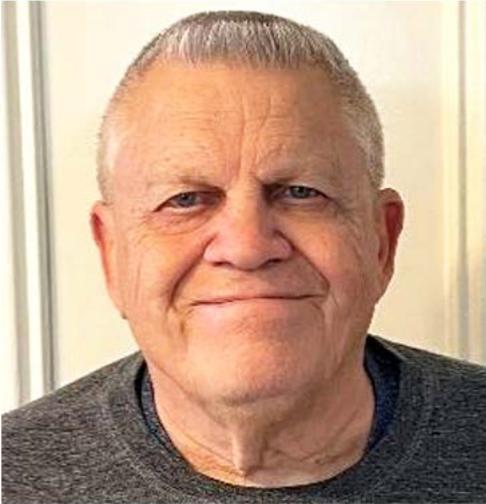

I would appreciate your vote, as I would be honored to serve another term as a board member of the Oklahoma City Gun Club.

Sincerely,

Tommy Hager, aka Hondo Tweed  
Oklahoma Rough Riders Historic 3-Gun  
Division Chair, H3G Match Director

# J.R. Hile

Fellow Oklahoma  
City Gun Club  
Members,

Many of you may know me from my participation in the activities in the various divisions. I have been

a club member for twenty plus years. It has been my honor to serve on The Board of The OKC Gun Club the past several years and I want to thank all of you who have supported me and have placed your trust in me, to represent you in the past.

As in previous years, those of us who enjoy the sport of shooting, continue to face many challenges. From external political pressure and pressure from people who cannot understand how much we enjoy the time we spend hunting and shooting. We may not know exactly what those challenges will look like, but

we know they will happen. We must be vigilant and be prepared to defend our rights or we may lose them.

Our club has grown so much, and we can all see huge improvements and upgrades to our various ranges. This did not happen by accident. It was done by tireless effort by our board and gun club members. My work experience as a business manager and business owner has helped me tremendously in protecting the club's assets and your ability to continue to enjoy club membership. As always, you are welcome to call me personally to assist you in any club issues and I will do my best to help you.

I ask for your support and vote in the upcoming election, and I promise you that I will always base my decisions on what I believe to be in the best interest of The OKC Gun Club.

Sincerely,  
J.R. Hile

# JIM MEYERS

Request to be placed on the ballot for the Board.

I would like to again be placed on the list to serve on the OKC Gun Club Board. I have served the last 3 years on the board representing the membership and would appreciate the chance to again represent you. I am currently the match director for the pistol silhouette division. I also have been a member of the Gun Club since 1980. Also I have always did a work day every year since I joined the club. Now as match director I do weeks of work days like a lot of us do. We had made a lot of improvements in the last few years. I want to see it do nothing but get better yet.

# KURT MILLER

Hello I am Kurt Miller and I am running for the board of directors for Oklahoma City Gun Club. I became a member in

2003 when I moved here from Colorado. Over the years I have made a point of shooting in every division offered at OKCGC. I have enjoyed every one of them and wish to see them all grow. I have helped grow our club in several ways already. As a Geologist I have advised on some of our dirt work projects, water testing and sampling. Due to my shooting industry connections, I was able to help the Women on Target program get much needed ammunition when it was hard to find.

I have an extensive background in the shooting sports. I started shooting at the early age of 5. I competed in Jr. small-bore in high school, High-Power rifle while in the Marine Corp, while serving with the second ANGLICO at Camp Lejeune and started in the action shooting sports in 1987. In the 1980s I took several classes at GunSite and earned an expert rating in pistol, rifle shotgun and carbine. Due to this and being a former Marine Col. Jeff Cooper asked me to be an adjunct instructor at GunSite where I taught

classes for 3 years until GunSite was sold to a new owner. I ran the High Plains Firearms Institute for 5 years. I have taught the use dynamic small arms to Military units of the 3rd and 5th group special forces. I have instructed military groups from the Philippines, Denmark, Norway, and Serbia, Police SWAT teams, Department of Energy Nuclear guards, Department of Interior law enforcement officers from the National forest, and National Park Rangers, and Civilians.

I have represented the U.S. internationally and have won two world championships in IPSC action shotgun, and IPSC action rifle. I am a 3-time USPSA National 3-gun champion, and 2 time Nordic Rifle Champion.

In closing I want to see every division at the Oklahoma City Gun Club thrive! I want play a bigger part in that happening.

# Shotgun Division

The Shotgun Division at Oklahoma City Gun Club provides members with dedicated facilities and organized programs for skeet and trap shooting. The division features multiple skeet fields, combination skeet/trap fields, and supporting clubhouse amenities designed to serve shooters of all experience levels.

Throughout the year, the Shotgun Division offers a variety of structured activities and learning opportunities, including Beginner Skeet lessons, Trap League, Skeet League, and instructional clinics. The club also hosts youth skeet camps focused on introducing and developing young shooters, as well as adult skeet camps designed to help participants build skills and confidence. In addition, the division regularly hosts Registered Skeet events for members interested in competitive shooting as well as several collegiate teams and youth groups such as 4-H and FFA.

Open Shotgun shooting is typically available on Saturdays and Sundays from 9:00 a.m. to 12:00 p.m., providing members an opportunity to shoot under supervision during scheduled weekend hours. Times and availability may vary due to events or weather, so members should always check the online club calendar before planning a visit.

For members seeking greater flexibility, the Shotgun Extended Access (SEA) program allows qualified participants to access skeet and trap fields outside of normal supervised hours. After completing required safety training and orientation, SEA members may use designated fields independently, providing additional opportunities to practice and shoot on their own schedules. SEA training is normally offered in February and September.

Schedules and offerings change throughout the year, so members should always check the online club calendar for the most current information.
