2026-2027 Winter Skeet League

By Robert Buswell

The sign-up sheets for the 2026-2027 Winter Skeet Leagues have been posted near the north door to the shotgun clubhouse. We have room for 50 shooters in the doubles skeet league and 50 shooters in the regular skeet league. We will accept up to 10 stand-by shooters for each league. You may shoot in either one or both leagues.

PAYMENT: We will shoot 50 targets per week per league over 8 weeks for a total of 400 targets per league. The cost is $100 for one league or $200 for both leagues. Fees should be paid by Sunday, December 6, 2026, from 1:00 PM until 3:00 PM at the shotgun clubhouse.

DATES: Leagues will start shooting on Sunday, January 3, 2027. That should have us finished around February 21, 2027… if the weather cooperates!

TIMES: The doubles league will shoot Sundays at 1:00 PM. The regular skeet league will start around 2:45 PM or as soon as the doubles league finishes. Please arrive in time to be on your scheduled field and ready to shoot at either 1:00 PM and/or 2:45 PM.

HOT DOGS & AWARDS: Hot dogs will be provided each Sunday, however, there will be no awards banquet. Award medallions will be distributed to the winning teams and individuals about two weeks after league shooting is completed.

Robert Buswell will be handling squadding and record keeping for the

league. Contact Robert if you have any questions. His email is Skeetleague@okcgunclub.org and his phone number is (405) 426-7429.

The primary purpose of this league is to have fun, meet other OKCGC members, and shoot with a group of friendly folks. Novice shooters are welcome and our experienced shooters are always willing to give advice when they are asked.

Oklahoma Fullbore Championship 2026

By Curt Bohlman, OKCGC High Power Division Co-Chair

The Oklahoma City Gun Club, in conjunction with the Oklahoma Rifle Association, was proud to host the first ever “Oklahoma Fullbore Championship” in early November. The three-day match was attended by 25 competitors from 4 countries: The USA, Antigua, Granada, and Italy.

This popular international style of shooting is conducted at distances from 300 to 1000 yards with open sighted rifles chambered in .308 win and .223 rem. With only a shooting jacket and sling for support,

fullbore is quite a challenge. Adding to the test is the “two and three to the mound” format which fullbore requires, wherein multiple firers shoot at the same target in sequence, which draws heavily on wind reading skills rather than just chasing the spotter back and forth across the target - not an uncommon practice in US Long Range shooting’s “string firing”.

The match program called for a lot of shooting for a three-day period, the

This year's Oklahoma Fullbore champions are Morgan Detrich (2nd), Tanner Burrows (1st), and Curt Bohlman (3rd).

volume of which proved to be a big draw to traveling competitors. Friday, November 6, was "team day", wherein groups of two firers, and in some cases an additional wind coach, teamed up for a go at the 300, 600, 900, and 1000 yard lines. Added to this was a 1000 yard team match; so, two team matches which formed a team aggregate. Saturday tested competitors with an individual match that mirrored the team match the day before, plus an additional 1000 yard match. Sunday wrapped up the individual contest with a

Palma match, 800-900-1000 yards, plus another 1000 yard match.

Winners of the team matches were OKCGC's Curt Bohlman and Bill Meade for the Fullbore Team match, and Iowa's Scott Campbell and Morgan Detrich for the 1000yd Team match. Bohlman and Meade took first place in the team aggregate.

The individual championship winners were no strangers to the podium and all US National Rifle Team members. OKCGC's Tanner Burrows, in first place, is a former Mid-Range National Champion, and second place's Mordan Detrich is a former Smallbore National Champion. Third place was secured by Curtis Bohlman, who crossed the stage at the United Kingdom's Imperial Matches last summer. Seven points or .58% separated first and third place in the weekend's 1200-point aggregate.

It is notable that this championship was a benefit match for the United States National Rifle Team. Net proceeds plus an extra $1,000 from the very generous

OKCGC was donated to support our international fullbore rifle teams. It was a great event run smoothly by the club volunteers Richard Ford, Beau Methene, and Pat Morris. We expect a heavier turn out next year when word gets around, maybe even more international company!

If you have any interest in giving fullbore a try, or learning more about it, reach out to the OKCGC High Power Division.

Land Run 2026 National Championship

By J.R. Hile, AKA Flat Top Okie

Land Run 2026 started with the National Championship of Wild Bunch Action Shooting. It was attended by a record 127 shooters, with 10 fun and challenging stages. The match started Sunday with side matches, warmups, and

five main-match stages in the afternoon. Many shooters said the stages were a perfect combination of skill challenges, but still manageable by the average shooter.

Monday offered more of the same with five stages followed by the Top Gun shoot off and the awards dinner on the range,

catered by a local BBQ Restaurant. The overall winners were Holy Terror and Buckshot Sully, both of Texas.

Oklahoma Gun Club members who placed in their categories were: Modern- 3rd: Marshal Shorty (Tyler Meade); Senior Modern- 6th: Ricochet Russell (Russell Patton); Lady Senior Modern- 2nd: Missouri Mae (Melody Hile); Elder Statesman Classic Modern- 5th: Loansome Buck (L.D. Ferguson), 8th: Roy's Creek Dan (Jere Korthanke) and 9th: Flat Top Okie (J.R. Hile).

The Cowboy National Championship started with the Opening Ceremony at The National Cowboy and Western Heritage Museum on Wednesday, October 7. We already had two very full, fun-filled days of shooting with warm-up matches, side

matches, and the Plainsman Match. We had 740 warm-up matches shot, 30 for Plainsman, and a fair number in the 25 different free side matches.

The real fun began Thursday morning with a safety meeting for the first flight, then lots of fun and fast shooting immediately following. With 230 shooters per flight, the range was very busy. As soon as one flight ended, we repeated for the midday flight. By early afternoon, we had started the 3rd flight. Friday and Saturday were repeats of Thursday, minus the safety meetings.

The Friday night events were well attended and enjoyed by all. Howlin Wolf's beer crawl and vendors showcase have become an annual event. The other events made sure there was something for everyone. The margaritas prepared by Hawkshaw Fred & Annie D. Vine were great, as was the shrimp boil prepared by our own Dolittle Dave. The Spirit Sampling was hosted by club members Russell and Vicky Thorpe of Castle Spirits, followed

by a good sampling of cigars, for those so inclined.

850 competitors and guests attended the banquet at the National Cowboy and Western Heritage Museum. After dinner, the awards ceremony honored top contestants in 53 shooter categories, along with 13 shooter drawings and 14 raffle drawings.

A big thanks to all the club members who helped put on the largest SASS match in the country!

The overall SASS National Champions were Holy Terror from Texas and Skrap P from New Mexico. Many of our club members placed in their categories. They are:

- Buckarette (13 & under)
  2nd: Pearl Snaps (granddaughter of Dean Findley)
- Young Gun Girl (14-17)
  4th: Tiger Lily Kate (granddaughter of Larry Windsor)
- B-Western
  4th: Carlentini Kid (Jason Caniglia)
- Senior B-Western
  1st:Green Hill Bart (Michael Stevenson)

2nd: Ben Fishin (Dean Findley)

- Lady Senior B-Western
  1st: Sandy Beach (Stephanie Findley)
  3rd: Blonde Trap (Joni Welch)
- Lady Silver Senior B-Western
  1st: Cooncan (Debbie Freeman)
- Cowboy
  4th: Coyote Cole (son of Keith Welch)
- Lady Senior Duelist
  6th: Sally Starr (Becky Lind)
- Elder Statesman
  3rd: Roy's Creek Dan (Jere Korthanke)
- Frontier Cartridge
  1st: Marshal Shorty (Tyler Meade)
- Lady Frontier Cartridge Duelist
  2nd: Gabby Gertie (Sherri Arnn)
- Senior Gunfighter
  8th: Loose Cannon (Keith Welch)
- Lady Senior
  1st: Missouri Mae (Melody Hile)
- Lady Silver Senior
  3rd: Della (Carey Prible)
  4th: Highland Scottie (Joan Korthanke)

OKCGC Training Division: 2026 Activities and Looking Ahead to 2027

By Kemit Grafton
Chair, Training Division

The Oklahoma City Gun Club Training Division had an active and productive 2026, providing members and the community with a variety of firearms training, safety, and educational opportunities. Our instructors continued to support the club's mission of promoting safe, responsible, and knowledgeable firearms ownership through a broad selection of classes and programs.

Training activities during 2026 included Basic Handgun, Oklahoma Self-Defense Act (SDA) courses and refreshers, Home Defense Carbine, First Handgun Purchase, NRA instructor training, reloading instruction, and medical

training. The Division also supported scouting programs, LEOSA qualifications, Women on Target, and the Ladies Pistol League. We continued our involvement with the Guardian Conference and other specialized training opportunities.

Looking ahead to 2027, the Training Division plans to build on these programs while introducing several new opportunities. The Basic Handgun classes will continue with an adjusted schedule, and the expanded handgun course will transition to the NRA Defensive Pistol course, including concealed-carry holster instruction. Glock training will also expand, with the Glock Operator and Low Profile Carry courses scheduled for May, along with a Glock Armorer course in conjunction with the annual GSSF match in October.

Other planned activities include monthly Ladies Pistol League events, continued NRA instructor and reloading courses, medical training, and additional opportunities for home-defense training. We also plan to revisit several courses

that experienced lower enrollment in 2026.

The Training Division appreciates the dedication of its instructors, volunteers, and participants. Their commitment makes these programs possible. We look forward to another year of providing quality training and helping our members become safer, more confident, and more proficient firearms owners.

QR Code Added to Member Badges

OKC Gun Club member badges now have a QR code on the back so that members can easily scan to access the current member guide. This addition is important!!! Members can now have easy and immediate access to division contacts and information but more importantly immediate access to the GENERAL RULES OF CONDUCT AND RANGE RULES.

Questions? Contact Carey L. Pribil, Membership Chairman at 405-613-8755.

Introduction of Green Member Badges for 2027

Effective with the 2027 membership year, first-time members will be issued a green member badge. This designation is intended to identify individuals who are

beginning their first year of membership with the club. Members are encouraged to welcome those wearing a green badge, introduce themselves, and provide assistance as appropriate. Your courtesy and support will help ensure that our newest members have a safe, positive and rewarding introduction to the club.

22 F-Class for Winter

By Don Faulkenberry

Due to popular demand, we are going to try to have 22 F-Class matches over the winter months. As usual, they will be held on the second Saturday of the month, November through March of 2027. We will have the same format as last year, with a start time of 10:00 am. If, and this is important, the projected temperature at 10:00 am is 50 degrees or higher. We were lucky last winter and had several nice days with some fine scores.

For those wondering what this game is about, it's pretty simple. Rifles chambered in .22LR shot at 100 yards for score. We compete in 3 classes: target rifle, open rifle, and sporter rifle. The only differences are weight, and the use of a bipod or machine rest. All shooting is done in the prone position. Shooters will need a mat and a rear sandbag.

A typical match will have each competitor shooting 60 rounds for score, plus 10 to 20 sighter shots in each class of their choosing or multiple classes if they so choose.

We invite you to join us! I'm pretty sure you'll have a good time. Questions? Please call Kelly McNitt at 405-659-0522, or Don Faulkenberry 405-328-3167.

Action Shooting 2026, Looking Ahead to 2027

By John Bent, Co-Chair,
Action Shooting Division

2026 saw significant expansion in our match offerings, made possible by the strong commitment of our many volunteers who make it all happen. A few highlights include:

• In response to the popularity and large turnouts for our USPSA matches, we now hold them on both the first Saturday and Sunday of the month year round – the same match offered both days. Competitors can shoot either day, or both as long as they shoot in different divisions. This has increased our match capacity while maintaining manageable squad sizes.

• The GSSF and Shoot Sig Practice matches are now being held concurrently on the second Saturday of the month.

We also held officially sanctioned GSSF and Shoot Sig matches. For the

last 3 years, the Oklahoma City Gun Club has been proud to host the GSSF Red Dirt Shootout, which has consistently set new records in participation. Essentially a regional match, it has been highly successful and the OKC Gun Club has been an ideal venue.

• We held the USPSA Oklahoma Section Championship, “The Red Dirt Massacre,” a multiday match.

• Practical Rifle matches continue to grow in popularity, offering a “running and gunning opportunity” for anyone with a magazine fed rifle. There are divisions ranging from .22 rimfire to 30-06 (think M1 Garand).

For 2027, we will continue our current matches and offer several new major matches. They are:

- June- USPSA Single Stack Championship
- September- USPSA Section Championship
- October- GLOCK Annual/Gunny Challenge Match.

The Oklahoma City Gun Club will host GLOCK's largest match of the year. We are excited about the opportunity to bring this event to Oklahoma and showcase our facilities, and shooting community on a national level. The event will be more than double what we normally do for the Red Dirt Shootout.

For more details on all of our matches, scores and updates, see the Action Shooting division website here >
