Action Pistol Division – September 2023

Optics rule, it seems. We had 88 shooters at our September USPSA match; between LO and Carry Optics optics accounted for 50. If you include Open and PCC, that's 66 shooters with optics. The September GSSF had 41 entries and Steel Challenge had 33.

In October, the Red Dirt Shootout, a Glock Sport Shooting Foundation (GSSF) match will be held on October 21st and 22nd. We had a record turnout and was named "Match of the Year" in 2022. We are anticipating even more participants this year.

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion. If you would like to be added to our email list, send an email to ipsc.mail@okcgunclub.org. We normally send reminders the week of the matches.
