OKCGC Youth Skeet Camp 2017

Youth Skeet Camp

The shotgun division hosted it’s first Youth Skeet Camp. The general outline of the classes was provided by the National Skeet Shooting Association.

The 3-day course included instruction on safety, handling of shot guns, the NSSA standards, hold points, break points and a myriad of other techniques. The course was attended by 21 kids including one from Arkansas and one from Texas. Each shooters averaged more than a flat of shells each. Eight of the ten instructors were OKCGC members and have certification by NSSA to teach these classes.

This was a wonderful experience for the instructors and kids alike. Several of the kids asked if we would have this class again next year.

Quote of the Month

“One bleeding-heart type asked me in a recent interview if I did not agree that 'violence begets violence.' I told him that it is my earnest endeavor to see that it does. I would like very much to ensure — and in some cases I have — that any man who offers violence to his fellow citizen begets a whole lot more in return than he can enjoy.”

Col. John Dean "Jeff" Cooper

5-Stand Division

We had another great day of shooting for our 4th 5-Stand Shoot of the year – our largest group yet! Jerry Collins took top honors with a score of 45. Grab your shotgun and come join us on the 3rd Sunday of each month at 1:00 PM!

5-Stand is a shotgun clay target discipline that has its roots in Sporting Clays. The targets are always set differently and no two 5-Stands are the same. It's a challenging a game and tests the most accomplished clay shooters. Bird season is upon us and 5-Stand is a great way to hone those skills prior to setting out to the field. \$15.00 gets you 50 birds, with our next shoot scheduled for September 17 at 1:00 PM.

Action Pistol Division

74 shooters turned out for the August USPSA match, with 7 stages and about 180 rounds required. We are starting to use the Practiscore website for pre-registration for our matches. It is not required, but is encouraged. There is no charge when you pre-register -- you pay at check-in on match day. We have decided not to offer online self-squadding for the USPSA matches at this point. While there are some advantages, there is a significant down-side as well for our matches. Links to pre-registration will be included in match announcements so if you are not receiving them, go to the Action Pistol Division on our website and select "Sign Me Up".

We've recently implemented a more effective email distribution service to get club information out to our membership; while the feedback we've received is very positive, it is evident that we are still missing many of our members.

Make sure your current/preferred email address is in our database so that we can do our best to disseminate club information effectively.

Currently, about 30% of our membership have no email address on file. Of those that do have one, it appears that a significant percentage of addresses are not being checked – perhaps the email address on file is no longer being used.

If you are not receiving email from the okcgclub.org address, it is possible that your email application is routing it to a SPAM or Junk folder. If that is the case, you can mark mail from that address so that it will be properly delivered as valid email, going forward.

One of the most popular and best attended matches in our club is the Airgun Benchrest match which meets inside our main clubhouse every Monday morning.

All our shooting is done at tiny paper targets off of benches at a distance of 17 yards. About all you need to participate is a good shooting .177 pellet rifle with a high-power scope and some form of support for it to sit on. There are 2 classes: guns that cost less than \$750 (also includes a few of the older precision rifles) and those costing more than \$750.

Shooting starts at 8:30 a.m. and the 3 matches are usually over by about 11:00.

Over the past 3 years, we have grown to over 15 shooters who make this the most regularly attended match in our club.

The ammo is cheap and the targets are both fun and challenging.

You are welcome to give it a try, or just come out and watch.

For more information contact Dave Johnson at 789-1368 or Burton Ferrell, 842-9585.
