Fall is Here – and Hunting Season is Just Around the Corner!

Suzi Rouse, OKC Gun Club President

The ranges will be full of eager shooters sitting in rifles and honing their skills. With that said, it is paramount that members are aware of the range rules at the Oklahoma City Gun Club. Specifically, as it pertains to fully auto fire. Recently we had members attempting to use devices to simulate automatic fire, which is a violation of Rule 13 of the General Rules of Conduct which states:

#13. There will be no firing of automatic firearms on the ranges by anyone at any time. This prohibition includes devices that simulate automatic fire, including (but not limited to) bump-stocks, binary triggers, or any other such devices.

Those members who were shooting full auto had to appear before the board and had their membership revoked for the rest of the year. There is a no-tolerance policy for violation of any range rules, and we take all rule violations seriously. Don't be "that member"!

I would remind everyone to refer to the OKC Gun Club Membership Guide that is posted on the website to familiarize themselves with the range rules. If you don't know the rules on a specific range, contact the division chair, and they will be more than happy to educate you. Find the [club membership guide here>](#)

The Cowboy Action division has been hard at work all summer for the 2025 Single Action Shooting Society (SASS) National Championships of Cowboy Action and Wild Bunch Shooting which will be held October 4-11.

We currently have 741 registered shooters for the Cowboy Championship and 110 for the Wild Bunch Championship including over 100 campers, making it the largest match our club hosts and the largest Cowboy Action match in the country.

Now is the time we start on the range preparations and volunteer scheduling. We will have our final range work-day on September 27 where we will be cleaning up the Cowboy, Action Pistol, 5-Stand, Smallbore and Airgun ranges such as mowing, weed-

eating, trimming trees, gathering all trash/hulls/brass in bays and small repair projects. We will work from 8:00 am to about 2:00 pm. Lunch and drinks will be provided for workers. Please call J.R. Hile if you have questions about the work day at 405-409-9442.

The final step in preparing for the match will be Sept. 29-30 when we will set targets and install props. Finally, we'll need help with the actual running of the match, our core group of 40 cowboys will pre-shoot the match Oct. 2-4. We'll need a

couple of people to be on the range and help with RVs coming in while we shoot for a few hours each day.

For the actual match on Oct. 7-11, we'll need help with parking the hundreds of cars that come and go during the day. We shoot warm-ups all day Tuesday and Wednesday and three separate flights of 240 people each Thursday – Saturday, so even if you can volunteer for a few hours at a time, it is a big help.

At your earliest convenience, please email our volunteer coordinator Carey Pribil at della102561@gmail.com if you can help during the match.

We would like to fill the following assignments with club members:

Tues. Oct. 7 7:00 am-1:30 pm - Parking (6 people)
Wed. Oct 8 7:00 am-1:30 pm - Parking (6 people)
Thurs. Oct 9 7:00 am-2:30 pm - Parking (3 people)
Fri. Oct 10 7:00 am-1:00 pm - Parking (3 people)
Sat. Oct 11 7:00 am-1:00 pm - Parking (2 people)

Every year we have dozens of club members help out, we know we can't do it without you, and it is greatly appreciated! As always, food and drink are provided anytime you are working.

Land Run Best Costume Contest

Our division takes great pride in having one of the best ranges in the country and providing what most shooters consider the best match in the country. Come help the OKC Gun Club be the best we can be as we welcome shooters from 46 states. Thank you very much!

Safety Reminders

Mark Vaughn, Vice President OKC Gun Club

It is important to remind our members and club users of the following:

1. It is the responsibility of the gun owner to stay up-to-date on the latest safety bulletins, recalls and other information pertaining to the firearms and ammunition they bring to the Oklahoma City Gun Club for use and competition.

2. It is the responsibility of the gun owner to ensure that all firearms and ammunition used at the Oklahoma City Gun Club are in good working condition and are safe to use.

3. If there exists doubt about the safety of any firearm or ammunition, the member/user should refrain from using that firearm or ammunition at the Club until a determination is made by the manufacturer, a competent gunsmith, or other professional as to the safety of that firearm or ammunition.

Training Division

Upcoming OKC Gun Club Training events – September 2025

As a part of our community outreach initiative, we are offering basic instruction shooting courses. These programs are open to both members and non-members. The Training Division's NRA Certified Instructors provide this training. If you or someone you know who would benefit from courses like these, please share the information. For more information or to register online go to the OKC Gun Club's Training Division's website.

NRA Instructor Academy

Tuesday, September 2 – Friday, September 5

We are offering several NRA Instructor courses at this Academy; pick the ones you want to attend or attend all of them. These courses include NRA Basic Instructor Training (required for all instructor certifications, September 2), NRA Pistol Instructor (September 3), NRA Rifle Instructor (September 4), and NRA Shotgun Instructor (September 5). The training division website has all the instructor course offerings so you can pre-register for them. For more information contact Mark Heins 405-651-5215 teamheins429@gmail.com. Ladies Pistol League

Sunday, September 7, 8:00 am – 11:00 am
Pistol Range

This training session will focus on distance shooting, with drills designed to build confidence and accuracy from 10 to 50 yards. This class will challenge you to apply the fundamentals while pushing your skills further than the typical close-range practice. Whether you're preparing for competition or simply want to improve your marksmanship, this session is a great opportunity to expand your shooting abilities in a supportive and encouraging environment. This class is open to all experience levels, and you do not need to be a member to participate. For questions, or to get more information about the cost or what items are needed, please contact Jamie Meyer at 405-613-6541 or lpl@okcgunclub.org. Due to limited space, RSVP is required. NRA Basic Personal Protection in the Home

Tuesday, September 9, 8 am – 5 pm
Main Clubhouse

This course teaches students the necessary knowledge, skills, and attitude to protect home, property, and family. This class is also a requirement for those who want to achieve their NRA Personal Protection in the Home Instructor certification. Prerequisites: NRA Basics of Pistol Shooting. Students will need a minimum of 150 rounds of ammunition. Students may bring their firearms, safety glasses, and hearing protection.

For more information contact Mark Sherman aviationsolution42@gmail.com

Picking that first/new Handgun

September 13, 9:30 am to 12:00 pm (noon)
Main Clubhouse

Thinking about buying a handgun but not sure where to start? This free course is designed to help you understand the basics before making a decision. We'll cover firearm safety, reasons for owning a handgun, types of handguns, and what to consider when choosing one for personal protection or shooting sports. Whether you are brand new or just want a clearer picture, this class will give you the knowledge to make an informed, confident choice. The class is open to both club members and non-club members." Construction Update

Please be patient and as always be sure to check the club calendar before you come to the facility for scheduled events as well as construction closures.

Continuing in September, the Plinking Range will be undergoing a remodel phase. Much of the work cycle will depend on the weather. The range will be unavailable for use Monday-Thursday. Use the Pistol, Cowboy or Action Pistol Ranges as an alternative. The Plinking Range will be available Friday afternoons and all-day Saturday and Sunday, though may have fewer stations available. Expect areas to be closed off with flagging tape. If you have any questions, please text to Tom Peace 661-770-6147.

The berm work at the cowboy range has been completed for 2025. We anticipate construction activities on the north action pistol bays will commence in early 2026 as we continue our efforts to modernize our impact berms.

If you have questions, please contact Matt Johnson, 405-637-6373 (call or text).
