

## Spring 2019 Trap League

The Shotgun Division of the Oklahoma City Gun Club will once again be hosting a Spring Trap League consisting of ten weeks of shooting (500 targets) beginning Monday March 11, 2019 and ending on Monday May 13, 2019. Shooting will be on Mondays. The starting date is about a month earlier than last year, but this is the week daylight savings time goes into effect. We will be able to finish before Memorial Day and the onset of hot weather. If we have to cancel a week of shooting due to weather, we will have an extra week and still be able to finish before Memorial Day.

- The league is open to all OKC Gun Club members, their families and friends.
- The league welcomes all skill levels of shooters using any type of shotgun in 12 gauge or smaller.
- Cost of the league will be \$95 for club members and qualifying family members, and \$115 for non-members (\$75/95 pays for targets and \$20 pays for hot dogs and prizes).
- Shooters will be part of a Squad of up to 5 shooters. Every effort will be made to assemble 5 person squads, but it depends on interest and turnout. Shooting times will be at 3, 4, 5 or 6 p.m. If your schedule permits, please sign up for one of the 3, 4 or 5:00 shooting times.
  - Each shooter will shoot a total of 500 targets; 50 targets per week.
  - The first five weeks of the league will be shot from the 16 yard line (Singles).
  - The second five weeks of the league will be shot from the 18, 20, or the 22 yard line (Handicap). ***All members of the squad will shoot from the same yardage line.***
  - Squads with a combined average of 20 or more from the first five weeks of Singles shooting will shoot all their Handicap targets from the 22 yard line.
  - Squads with a combined average of more than 18 and less than 20 from the first five weeks of Singles shooting will shoot all their Handicap targets from the 20 yard line.
  - Squads with a combined average of 18 and less from the first five weeks of Singles shooting will shoot all their Handicap targets from the 18 yard line.
- Prizes will be awarded to the shooters of squads with the highest overall scores. Prizes will be distributed after shooting is completed on the final day of the league.
- Shooters may make up targets, or shoot ahead for any weeks that they are absent, however all singles targets must be shot by sunset on April 14, 2019 to allow calculation of handicap yardage. All handicap targets must be shot by the end of the day on May 13, 2019. Any missing scores will be replaced with “dog” scores (shooter’s average minus two targets).
- When registering for the league, please indicate if you have a group that you would like to shoot with and your shooting time preference.
