

Spring Skeet League

Our spring league for 2021 will start on 6 April (Tuesday night)/8 April (Thursday night). Buck Sifford will again be handling the squadding and the signup sheets. If you haven't shot with us in the past, come on out, we guarantee you will have a good time. New shooters are welcome, there is always someone that will help and give advice. This league is designed for our members to meet each other and make new friends. While it is competitive the main objective is to have fun!

Due to the high usage of our facilities the following changes will be in effect for league.

- All shooting must be done on your designated night/time.
- Do not sign up for league if you cannot shoot on your night.
- **Scores submitted outside of your designated time will not count.** A zero will be scored.
- You will be allowed to make up 2 nights if you must miss. You have 2 weeks to make up any missed scores, after that you will be scored zero for the night.
- You must be there to pull/score for the other team and they will do the same for you.
- While in the club house you will be required to wear a mask.
- Practice rounds can be purchased from the token machine.

The sign up/squadding will be handled differently this year. You must sign up at the shotgun division club house. There will be individual signup sheets for each night with a place for 10 teams per night. Please sign up with your name, phone number and email. This will be your squad for the league.

Those who sign up for Tuesday will need to be at the clubhouse on March 30 between 4:30 and 6:00 to pay for the league. Thursday night shooters will need to be there on April 1, same time period.

If you have any questions about the league, Buck's phone number is 405-769-7317 (Home) and 405-760-9434 (Cell) and can be reached by email at bucksifford1@cox.net.

We anticipate at least 100 shooters wanting to participate in the Spring league this year. We will be shooting on Tuesday and Thursday. We are limited to 100 shooters, (50 per night). So, sign up early. The 2021 Spring League will shoot at 1800 hours (6 pm). We shoot 50 targets (two rounds) per week for 8 weeks for a total of 400 targets. The cost to shoot the league this year will be \$90.00. This covers the cost of 16 rounds of skeet, hotdogs each night and a trophy for the top shooters and teams at the end of the league. We also try to have a pot luck dinner where we recognize the top shooters.
