OKCGC **AIRHEAD** Group had their N50 Benchrest Match this past Saturday, the 5th of May! The weather was great up until Match #2. But for match one it was nice, and the scores showed that! We just could not hold off the rain and had to call off match #2. Bummer for everyone. We let them make the call. Had some pretty good score today!

Pellet saw Mr. Mike Shultz from Arkansas came out shot a 747 with 41 X's!! Great shooting with his Thomas HPX. Butch Everett 247 with 28 X's also with his new Thomas HP! Ben Womack and his Vulcan 723 with 19 X's. Bob Benda did really well using an FX Crown 720 and 19 X's.

Sportsman had 2 in there and Kelly was on top with his 730 and 27 X's, Don Faulkenberry shot a 703 with 11 X's.

Pro had 3 show up and they did good. Larry Lawrence with 749 43X's. Barney Alexander 748 and 54 X's. Mike Tokar with 739 & 29 X's. Here are some photos and the score sheet.
