

# OKCGC LADIES PISTOL LEAGUE – 2024 EVENT SCHEDULE

The Ladies Pistol League is designed to educate women about the safe, & proper handling of firearms in a comfortable learning environment. We also cover mindset and the use of less-lethal tools based on a variety of lifestyles. Our classes are held year-round, and we welcome women of all experience levels to join us on the 4<sup>th</sup> Sunday of every month. You do not need to be a member of the OKCGC to participate, but RSVP is required.

We also have a Ladies Intermediate League that will start back in March for our more advanced students. Ladies in the Intermediate League have successfully passed a holster qualification program and have been approved by the League Director to participate. This league is not for beginners, but many of our members began in the regular ladies league and are now successfully participating in both.

Please join us on Team App for more training opportunities and insider information about our current events.

\*Dates, times, and locations of our events are subject to change, so please be sure to check the club calendar for the latest updates\*
