

Ladies Pistol League

OKLAHOMA CITY GUN CLUB

The OKCGC Ladies Pistol League is a supportive, women-led training group dedicated to educating and empowering women through firearms safety, personal defense, and competitive shooting. Whether you're brand new to shooting or looking to sharpen your skills, our monthly sessions provide a safe, encouraging environment to grow in confidence and capability. We focus on practical training, mindset, and fundamentals—all while building friendships and having fun on the range. No experience needed and no club membership required to join us—just a desire to learn and grow alongside other strong, capable women.

"Safe, Supportive, and Skill-Building Environment for Women."

Basic Training - 1st

Sunday of every month

Intermediate League - 3rd

Sunday of every month
