

Do you have a handgun?

We want you to be confident in the safe handling, storage, and use of your firearm. The Oklahoma City Gun Club has some great classes to ensure your handgun basics are covered whether you are new or want a refresher!

Our NRA certified instructors will cover 2 hours of classroom instruction and work with you for 1 hour on the range. This is part of the club's commitment to supporting our community with training and resources for the responsible use of firearms.

Student must be 18 years or older to attend.
