Required Prerequisites and Student Equipment

To be eligible to take the GLOCK Operator Course, you must meet one of the following requirements: Active/Retired law enforcement / Military, Private security, possess a current Concealed Carry Permit from your state, or provide a Statement of NO Criminal History from a Law Enforcement agency.

- The student will provide a GLOCK pistol with mounted optics or iron sights with no modification other than sights or external cosmetics. Pistols with modifications that could render the pistol less safe than was originally produced are not allowed.
- The student will provide a strong side, belt supported holster which covers the trigger and trigger guard. Duty holsters are highly encouraged but not required.
- The student will provide a magazine carrier(s) with or without flaps, capable of carrying two magazines.
- The student will provide a minimum of 3 magazines.
- The student will provide a belt capable of supporting the weight of the holster, pistol, and magazines.
- The student will provide eye protection, hearing protection, and a hat or ball cap with a brim or bill to prevent fired cases from landing behind the shooters glasses.
- The student will provide 1,000 rounds of factory loaded ammunition of the proper caliber.

Operator Course Objectives

The student will demonstrate their understanding of the fundamentals of marksmanship and their ability to safely
Present the GLOCK pistol. By completing the designated courses of fire within The GLOCK Standards Practical Examination the student will receive a Certificate of Completion.
